After reviewing the 990 and all questions have been answered, a copy is forwarded to the board members prior to submission to the IRS.
Form 990, Part VI, Section B, line 15		The compensation of the President / CEO is set by MHIC's Compensation Committee based upon a report from an independent compensation consultant. The report includes comparable compensation data for the same position for organizations of similar size within our industry. The decision of the Compensation Committee is reviewed by MHIC's Board of Directors prior to being finalized. The compensation of all other staff is determined via a formal salary administration process. A job description is established for each position. All positions are classified into Job Families based on similarity of knowledge, skills, and experiences required to perform the job. Each position is priced according to market (based upon salary surveys) and grouped into a salary range. The salary range represents the minimum, midpoint, and maximum compensation for a given position. As a guide to Managers in planning percent increases for employees, a Merit Increase Guide is prepared and distributed each year. The purpose of the merit salary increase guide is to facilitate the calculation of a salary increase amount taking into consideration the performance designation and the position of the employee's salary in the salary range.
