Exploring is based on a unique and dynamic relationship between youth and the organizations in their communities. Local community organizations initiate a specific Explorer post by matching their people and program resources to the interests of young people in the community. The result is a program of activities that help youth pursue their special interests, grow, and develop. Exploring programs are based on five areas of emphasis: career opportunities, life skills, citizenship, character education, and leadership experience. Over 1,000 youth served through 67 Explorer posts.
