Identifier	Return Reference	Explanation
Part II-B, Line 1i	Explanation of Other Lobbying Activities	During 2009, the US Congress considered several bills that would have a positive impact on providing funding for research into rare diseases and on providing services for the needs of children with disabilities. In support of this legislation, Society boardmembers contacted legislative offices by phone, mail, and personal visits and provided such information to Society members via newsletters and email. Such legislation is of direct interest to the Society and its members. Such activities represent an insubstantial part of its total efforts. The total funds expended on these activities represented less than 2% of the Society's total revenues for the year.
