## Attachment to Form 990-PF Part V-III, Column (b) Title and average hours per week devoted to position.

As trustee, BNY MELLON provides administrative services such as acting as investment manager for the named organization. These services require numerous individual bank employees' involvement in the activities of the organization and thus cannot be quantified on an hourly basis. Therefore, the trustee's fees are not based upon hourly basis but are calculated upon factors such as the market value of the account and in accordance with our agreement with the client.
