West Corporation Scholarship Program

We are pleased to once again offer the valuable benefit of the West Corporation Scholarship Program. A college education is one of the most important things a parent can do for their child, yet for many who struggle just to meet the day-to-day expenses of raising a family, a college degree can seem out of reach. The West Corporation Scholarship Program is designed to help our employees - with college-aged children and demonstrated financial need - make the dream of education come true.

The guidelines that follow explain how the scholarship program works and what you need to do to apply. We hope you will find this information useful and that you will take advantage of this program to assist your children in their pursuit of higher education.

Education's purpose
is to replace an
empty mind with
an open one.

West Corporation Scholarship Program

THE PROGRAM

West Education Foundation has established a scholarship program to assist employees' children who plan to continue education in college or vocational school programs. Renewable scholarships are offered each year for full-time study at an accredited institution of the student's choice.

This scholarship program is administered by Scholarship Management Services[®], a division of Scholarship America[®]. Scholarship Management Services is the nation's largest designer and manager of scholarship and tuition reimbursement programs for corporations, foundations, associations and individuals. Awards are granted without regard to race, color, creed, religion, sexual orientation, gender, disability or national origin.

ELIGIBILITY

Applicants to the West Corporation Scholarship Program must be -

- ◆ Dependent* children, age 24 and under, of full-time United States West Corporation employees who work 30+ hours per week and who have a minimum of six months of employment with the company as of the application deadline date.

**Dependent children are defined as natural and legally adopted children or stepchildren living in the employee's household or primarily supported by the employee*

- ◆ High school seniors or graduates who plan to enroll or students who are already enrolled in a full-time** undergraduate course of study at an accredited two-year or four-year college, university, or vocational-technical school.

***Full-time study is defined as full-time enrollment for the entire upcoming academic year.*

AWARDS

If selected as a recipient, the student will receive an award ranging from \$1,000 to \$3,000. Awards may be renewed for up to three additional years or until a bachelor's degree is earned, whichever occurs first. Renewal is contingent upon satisfactory academic performance in a full-time course of study and continuation of the program by West Education Foundation. Scholarship recipients eligible to renew their award will be sent a renewal form on December 30 along with their December payment. Renewal forms must be returned to Scholarship Management Services by postmark deadline date **February 1**.

Awards are for undergraduate study only.

APPLICATION

Interested students must complete the application and mail it along with a current, complete transcript of grades to Scholarship Management Services postmarked no later than March 15. Grade reports are not acceptable. Online transcripts must display student name, school name, grade and credit hours earned for each course, and term in which each course was taken. Applicants will receive acknowledgment of receipt of their application. If an acknowledgment card is not received within three weeks, applicants may call Scholarship Management Services to verify that the application has been received.

Applicants are responsible for gathering and submitting all necessary information. Instructions for completing the Financial Data section of the application are included. Applications are evaluated on the information supplied, therefore, answer all questions as completely as possible. Incomplete applications will not be evaluated. All information received is considered confidential and is reviewed only by Scholarship Management Services

SELECTION OF RECIPIENTS

Scholarship recipients are selected on the basis of academic record, demonstrated leadership and participation in school and community activities, honors, work experience, statement of goals and aspirations, unusual personal or family circumstances, an outside appraisal, and financial need. Financial need must be demonstrated for the student to receive an award

Selection of recipients is made by Scholarship Management Services. In no instance does any officer or employee of West Corporation or West Education Foundation play a part in the selection. All applicants agree to accept the decision as final.

Applicants will be notified in early May. Not all applicants to the program will be selected as recipients. Students may reapply to the program each year they meet eligibility requirements.

PAYMENT OF SCHOLARSHIPS

Scholarship Management Services processes scholarship payments on behalf of West Education Foundation. Payments are made in equal installments on August 15 and December 30. Checks are mailed to each recipient's home address and are made payable to the school for the student.

OBLIGATIONS

Recipients have no obligation to West Education Foundation. They are, however, required to supply Scholarship Management Services with complete transcripts when requested and to notify Scholarship Management Services of any changes of address, school enrollment, or other relevant information.
