Accounts deemed uncollectible are charged against this allowance. Costs shown in line 2 and 3 are based on a cost to charge ratio.

Part III, Line 8 The shortfall in Medicare unreimbursed cost should be included as community benefit as services are rendered to all individuals regardless of ability to pay and/or the reimbursement expected to be received from Medicare, Medicaid or other payers. The costs are based on a cost to charge ratio.

- 2 Needs assessment.** Describe how the organization assesses the health care needs of the communities it serves

Part VI, Line 2 Bingham Memorial Hospital's department of Public Relations utilizes a community survey to identify the healthcare needs of our community. Surveys are mailed to approximately 25% of our county population. On-site surveys are also distributed at hospital events. Surveys ask which services and education programs community members are interested in. The results are shared with administration, after which, community events and outreach efforts are planned accordingly. The hospital also receives a variety of direct requests from community organizations and members to provide services and education. Examples include discounted flu clinics, discounted lab testing, free health education classes and seminars related to joint pain, arthritis pain, weight loss, and back pain. We perform free physical exams for student athletes, place an athletic trainer free of charge at high school sporting events, and provide free exams for student athletes hurt at a sporting event.

When they present for services and we screen for insurance coverage, if appropriate we get them an appointment with the Patient Financial Counselor. If they are having trouble meeting their obligations, or if they express need, we send them out a letter explaining the process and the application.
