		The Financial Accounting Standards Board issued new guidance on accounting for uncertainty in income taxes. The Center adopted this new guidance for the year ended December 31, 2009. Management evaluated the Center's tax positions and concluded that the Center had taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance. With few exceptions, the Center is no longer subject to income tax examinations by the U.S. federal, state or local tax examinations for years before 2006.
