Independent Auditor's Report

To the Board of Directors of
Partners in Development, Inc.

I have audited the accompanying statements of financial position of Partners in Development, Inc. (a not-for-profit corporation) as of December 31, 2009 and the related statements of activities, functional expenses and cash flows for the year ended December 31, 2009. These financial statements are the responsibility of the management of Partners in Development, Inc. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards in the United States of America, Government Auditing Standards and the requirements of the Office of Management and Budget (OMB) Circular A-133. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Partners in Development, Inc. as of December 31, 2009, and the changes in net assets, functional expenses and its cash flows for the year then ended, in conformity with generally accepted accounting principles in the United States of America.

In accordance with Government Auditing Standards, I have also issued a report dated November 10, 2010 on my consideration of Partners in Development, Inc.'s internal control over financial reporting.

Note 1 – Summary of Significant Accounting Policies

a. **Basis of Statements**

The financial statements of Partners in Development, Inc. have been prepared on the accrual basis. The statement of support revenues and expenses is a statement of financial activities of the funds related to the current reporting period.

b. **Basis of Accounting**

In order to ensure observance of limitations and restrictions placed on the use of the resources available to the Organization, the accounts of the Organization are maintained in accordance with the principles of "fund accounting." This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds that are in accordance with activities for objectives specified. Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds that have similar characteristics have been combined into fund groups. Accordingly, all financial transactions have been recorded and reported by fund group. Within each fund group, fund balances restricted by outside sources are so indicated and are distinguished from unrestricted funds allocated to specific purposes by action of the governing board.

All gains and losses arising from the sale, collection, or other disposition of investments and other noncash assets are accounted for in the fund which owned such assets. Income derived from investments, receivables, and the like, is accounted for in the fund owning such assets.

All unrestricted revenue is accounted for in the unrestricted current fund. Restricted gifts, grants, appropriations, endowment income, and other restricted resources are accounted for in the appropriate restricted funds. Restricted current funds are reported as revenues and expenditures when expended for current operating purposes.

c. **Property and Equipment**

Acquisition of property and equipment related directly to programs is charged directly to expense. Property and Equipment acquired directly by Partners in Development, Inc. Are capitalized and depreciated of the straight line method over the estimated useful lives of the assets estimated at ten years. There are no such purposes of property and equipment to date. Repairs and maintenance are charged to expenses.

Report on Compliance and Other Matters and on Internal Control over Financial Reporting
Based on an Audit of Financial Statements Performed In Accordance
with Government Auditing Standards

The Board of Directors
Partners in Development, Inc.
Ipswich, MA 01938

I have audited the financial statements of Partners in Development, Inc. as of and for the year ended December 31, 2009 and have issued my report dated November 10, 2010. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Partners in Development, Inc.'s financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

Internal Control over Financial Reporting

In planning and performing my audit, I considered Partners in Development, Inc.'s internal control over financial reporting as a basis for designing my audit procedures for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion of the effectiveness of Partners in Development, Inc.'s internal control over financial reporting. Accordingly, I do not express an opinion on the effectiveness of Partners in Development, Inc.'s internal control over financial reporting.

My consideration of the internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. I noted no matters that I identified in internal control over financial reporting that I consider to be significant deficiencies.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the organization's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles, such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the organization's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the organization's internal control. I noted no matters involving the internal control over financial reporting and its operations that I consider to be a material weakness.

My consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the internal control that might be significant deficiencies and accordingly, would not necessarily disclose all significant deficiencies that are also considered to be material weaknesses. I noted no other matters involving the internal control over financial reporting.

This report is intended for the information of the Board of Directors, management, federal awarding agencies, and pass-through entities. However, this report is a matter of public record and its distribution is not limited.
