FAMILY OF COMPANIES

# Matching Gifts Program

The Johnson & Johnson Family of Companies Matching Gifts Program is an important way to enhance the Company's commitment to help improve the communities in which we live and work. Johnson & Johnson relies on many important and innovative partners in carrying out our philanthropic efforts. Together with our employees, retirees and a number of nonprofit organizations, we share a sense of dedication to make our communities better places.

## GENERAL PROVISIONS

Through its Matching Gifts Program, the Johnson & Johnson Family of Companies Contribution Fund matches contributions to qualified nonprofit organizations 2:1 for every one dollar an employee donates up to \$10,000 a year and 1:1 for every one dollar a retiree donates up to \$10,000 a year. Objectives for the Matching Gifts Program include:

- Advancing the principles of corporate responsibility as outlined in the Johnson & Johnson Credo
- Encouraging greater financial and voluntary support of organizations on the part of employees/retirees
- Helping to strengthen worthwhile nonprofit organizations that are of special interest to employees/retirees

## EMPLOYEE/RETIREE PARTICIPATION

Participation in the Johnson & Johnson Matching Gifts Program is open to all active Johnson & Johnson employees and retirees.

## TYPES OF GIFTS ELIGIBLE FOR MATCHING

Gifts must be personal contributions (not pledges) made directly to an eligible organization in cash, credit card, securities or property having a quoted market value. Each gift must be a minimum of \$25 in order to be matched. A maximum of \$10,000 per year for each employee will be matched 2:1 regardless of the number of gifts. A maximum of \$10,000 per year for each retiree will be matched 1:1 regardless of the number of gifts. If the employee/retiree makes contributions to several organizations, gifts will be matched in the order received, up to the limit for the giving year.

## STOCK AND PROPERTY GIFTS

For gifts of securities, forward a copy of the transaction notice from your stockbroker (which must clearly reference your name, date and number of shares transferred). Johnson & Johnson will double match the fair market value of the stock on the date of transfer. If signing over a stock certificate directly to a nonprofit institution (no broker involved), provide a copy of the authorization letter and a copy of the front and back of the stock certificate. For gifts of property, two independent appraisals should be sent with the mean value of the two appraisals used to determine the amount that will be matched.

## CONTRIBUTIONS NOT MATCHED

The Johnson & Johnson Family of Companies will not match:

- Membership or dues payments
- Payments that primarily cover services, tuition, subscriptions, dinners, tickets, auction items,

raffles, etc., which provide benefits to the individual employee/retiree.

- Funds collected from others and submitted by an eligible donor to be gift matched
- Grouped or pooled donations
- Gifts made to/from an individual or family foundation or charitable trust
- Bequests
- Gifts made to intermediary organizations (such as United Way and community foundations), whose primary focus is to raise funds and redistribute to other charities. Private foundations, private operating foundations or donor-advised funds are also ineligible.

## MATCHING GIFTS PROCEDURE

1. Complete Part A of the matching gift application and mail it together with your personal contribution to the eligible recipient organization. If you are unclear as to whether a nonprofit organization qualifies for matching support, or if you have any other questions, please call 1-800-804-4381.

2. A responsible representative of the recipient organization will provide information required under Part B of the form and will send the completed form to Johnson & Johnson Family of Companies, Matching Gifts Program, PO Box 8317, Princeton, New Jersey 08543-8317.

3. Matching gifts will be mailed to eligible organizations on a quarterly basis. An acknowledgement notice will be sent to the employee/retiree when the matching gift is processed.

4. All forms must be submitted for matching within one year of the date that the gift was made.

**MATCHING GIFT POLICY**

The matching gift program allows employees and retirees to make contributions to various non-profit organizations under the 501(c)(3) status. All employee and retiree contributions up to a maximum of \$10,000 per year are matched by the FCCF on a 2:1 and 1:1 basis, respectively. The total company-matching amount does not reflect a 2:1 ratio to the employee contribution, because some individuals exceed the annual maximum of \$10,000.
