LAWRENCE H. AND ELIZABETH S. DUNLAP FOUNDATIONSTANDING RULES

Background. The Lawrence H. and Elizabeth S. Dunlap Foundation (the "Foundation") is a nonprofit corporation formed under the Pennsylvania Nonprofit Corporation Law of 1972 and described in Section 501(c)(3) of the Internal Revenue Code of 1986 ("I.R.C."). The purpose of the Foundation is to promote education and scholarship within the areas of Lancaster County, Pennsylvania, and Kandiyohi County, Minnesota ("Scholarship Area") through the awarding of scholarships to graduating high school seniors within the Scholarship Area. Under the By-Laws of the Foundation, the Board of Directors of the Foundation ("Board") is required to adopt standing rules governing the establishment and administration of its scholarship programs. In accordance with such requirement, the Board has formulated and hereby adopts the following Standing Rules.

I. Establishment of Programs.

A. The Lawrence H. and Elizabeth S. Dunlap General Scholarship Fund. The primary scholarship program of the Foundation is the Lawrence H. and Elizabeth S. Dunlap General Scholarship Fund ("General Scholarship Fund"). The object of the General Scholarship Fund shall be to encourage scholastic achievement among students in the Scholarship Area in acknowledgment of the scholastic and intellectual encouragement given to their communities by Lawrence H. and Elizabeth S. Dunlap throughout their lives. General Scholarships may be offered for general higher education studies or for the study of special areas of scholastic endeavor such as, but not limited to, art, music, history or science. In furtherance of such objectives, the Board shall endeavor, as the finances of the Foundation permit, to award annually up to 5 scholarships of up to \$5,000 apiece to graduating high school seniors within the Scholarship Area for use in paying qualifying tuition and related expenses of such seniors (as defined in Section B(1) of Article II of these Rules) at a college, university or other institution of higher learning to which such seniors shall have been accepted. The recipients of such scholarships shall be those persons who are determined by the Board, as among all those considered for such scholarships, (a) to have achieved the greatest degree of academic and scholastic excellence, (b) to have a genuine and demonstrable need for financial assistance in the furtherance of their higher education and (c) to have made a significant contribution to their school and community after the fashion of Lawrence H. and Elizabeth S. Dunlap in whose name the General Scholarship Fund is established. The Board may from time to time increase or decrease the number and amount of scholarships as the Board shall deem appropriate under the circumstances.

B. Other Programs. The Board shall establish, develop, fund, and administer such additional scholarships or programs as it shall approve from time to time using the general funds of the Foundation, consistent with the purposes of the Foundation. The Board may in its discretion accept and segregate as restricted funds monies donated to the Foundation and use the same for additional scholarship purposes or programs as directed by the donors, provided such directions are consistent with the purposes and objectives of the Foundation, its Articles of Incorporation, its By-Laws and these Rules. Unless a donor shall designate otherwise, all donations shall be made to the General Scholarship.

II. Applicant Eligibility and Program Requirements.

A. Eligibility. Every graduating senior within the Scholarship Area shall be eligible to be considered for a scholarship from the General Scholarship Fund or any other scholarship fund. The Board may establish appropriate eligibility criteria for each additional scholarship program as the Board from time to time shall approve with the advice of qualified educators having appropriate experience in the evaluation of scholastic aptitude provided, however, that if the Board shall not expressly provide otherwise, each graduating senior shall be eligible to be considered for every such scholarship. In the event that any recipient of a scholarship shall fail to attend the institution described in the applicant's application or otherwise fail or be unable or unwilling within a reasonable time to use the funds awarded for the purposes for which awarded, such scholarship may, at the option of the Board, be revoked and the funds shall be returned to the Foundation. Each applicant who is awarded a scholarship shall, as a condition of receiving any scholarship moneys be required to execute a scholarship agreement in the form approved by the board.

B. General Restrictions. Every scholarship given by the Foundation shall satisfy each of the following requirements.

(1) Such funds must be expended only for "qualified tuition and related expenses" as defined in I.R.C. Section 117(b)(2).

(2) Such funds must be expended only with respect to persons who certify that they are candidates for and will pursue a degree at the institution with respect to which the funds are qualified tuition or related expenses.

C. Non-discrimination. All recipients of Foundation scholarships shall be chosen, and all Foundation programs shall be administered, without regard to race, religion, national origin, handicap, age or sex.

B. Screening Committee Review.

(1) Upon expiration of the period for acceptance of applications, the Screening Committee of the Board shall review each application for preliminary qualification, completeness, and general eligibility of the applicant. Whenever an application contains any material defect which appears to be easily correctable the Screening Committee may, but shall not be required, to notify the applicant and afford the applicant a reasonable time in which to make the correction. Any application containing a material defect which does not appear to be thus correctable or which is not, after notice, corrected, shall be eliminated from consideration.

(2) After preliminary review of the applications as described in Section B.(1) of this Article, the Screening Committee shall take appropriate and reasonable steps to verify the truth and accuracy of the information set forth in each application, including, without limitation, academic, personal and financial information. The Screening Committee shall be authorized to conduct investigations and to request additional information from any applicant. The Screening Committee may, in the name of the Foundation, contract for and obtain analyses of financial data by private or public agencies, including the Pennsylvania Higher Education Assistance Agency for the purposes of determining financial need.

(3) Upon completion of its review, but in no event later than May 15 of each year (or such other date as the Board shall determine), the Screening Committee shall prepare and submit to each member of the Board a summary report with respect to each scholarship program of the Foundation setting forth a brief description of each applicant, the amount and purpose of the funds requested, the applicant's prior scholastic performance, the approximate financial need of the applicant, if known, and such other information as the Board may require. The Screening Committee thereafter recommend to the Board a slate of applicants for award of scholarships. Such recommendation shall be non-binding and advisory only.

C. Board Review. Upon receipt of the Screening Committee's report, the President shall call a special meeting of the Board to be held not less than ten nor more than thirty days after receipt of such report at which time the Board shall discuss the report and if possible, determine the recipients of the scholarships involved. In making its determination the Board may:

(1) request additional information or clarification of any part of any application,

(2) postpone its determination to one or more subsequent special meetings.

(3) request and pay for the services of educational experts to aid the Board in making its decision.

The Board may determine both a primary recipient of each scholarship and an alternate recipient who shall receive the same if the primary recipient is disqualified, dies or is otherwise unable to accept or use the scholarship funds.

IV. Reliance Upon Rules.

These standing Rules are for the internal use of the Foundation only. They may not be relied upon by any person other than officers or directors of the Foundation and appropriate governmental agencies (including the Internal Revenue Service) and they shall not give rise to any legal right or cause of action in any such other person.

V. Amendment.

These Rules may be altered, amended or supplemented by the Board at any regular or special meeting thereof for which notice has been given which includes a statement of the purposes of the meeting.

These Rules as amended are hereby approved this ____ day of May, 1998 by the Board of Directors of the Lawrence H. and Elizabeth S. Dunlap Foundation.

Being all of the Directors
