Ms Mary Both Pedlow Mercantile Beneficial Association 573 Forest Road Wayne, Pa. 19087

Re: Distributions from the Isaiah Williamson Trust for 2009

Dear Ms Pedlow

It is my pleasure to inform you that the Advisory Committee of the **Isaiah Williamson Trust** has approved a grant in the amount of \$16,569.23 for 2009 to the Mercantile Beneficial Association in support of the following charitable purpose:

"organized for the purpose of alleviating the condition of such of its indigent members as may be suffering from sickness or want of employment or other causes, and for the promotion of the common welfare of the members thereof. ."

Grant payments have been made according to the Annual Payment Schedule set forth below. The grant funds will be used as described above. These grant funds are to be expended over the period **January 1, 2009** through **December 31, 2009**.

Annual Payment Schedule

The grant funds will be paid as follows, provided your organization is in compliance with the terms and conditions of this letter at the time of the scheduled payment.

AMOUNT	PAYABLE AFTER	CONTINGENT UPON
\$16,569 23	paid in 2009	paid in 2009- need signed agreement

The following terms and conditions apply to your organizations use of the Foundation's grant-

1. Purpose

Under United States law, Foundation grant funds, and income earned on those funds, may be spent only for charitable, religious, scientific, literary or educational purposes. This grant is made only for the purposes stated in this letter, and it is agreed that these grant funds will be used only for such purposes substantially in accordance with the budget submitted with your grant proposal. It is also understood that no substantial changes will be made from the approved budget without the Foundation's prior approval in writing.

2. Separate Fund

All Foundation grant funds received by your organization must be maintained in a separate fund dedicated to the charitable purposes described in this letter. Such a separate fund may be either (1) a physically separate bank account restricted to the described charitable purposes, or (2) a separate bookkeeping account (limited to the described charitable purposes) maintained as part of your financial records. The Foundation encourages, whenever feasible, the deposit of grant funds in an interest-bearing account.

3. Reporting

A written report signed by an appropriate officer of your organization must be furnished to the Foundation to the attention of **Susan C. Hill, Specialist** after the close of each fiscal year in which your organization receives or spends any portion of Foundation grant funds (including income, if any, from such funds) until the grant funds are spent in full or the grant is otherwise terminated. According to our records, the trust fiscal year ends **December 31, 2009.** The report for the fiscal year ending December 31, 2009 is due no later than January 31, 2010. In addition, within three (3) months following the fiscal year-end in which your organization completes its use of all grant funds, a final written report is to be furnished to the Foundation with respect to all expenditures under the grant (including salaries, travel and supplies).

Each written report, including the final written report, must contain two parts, a narrative account and a financial account of what was accomplished by the expenditure of the grant funds during the period covered by the report.

- A. Narrative Account: The narrative account should provide a detailed description of what was accomplished by the grant, including a description of the progress made toward achieving the goals of the grant and an assurance that the activities under the grant have been conducted in conformity with the terms of the grant.
- B Financial Account: The financial account should provide a financial statement reporting, in U S dollars, all expenditures of Foundation grant funds and any income earned on those funds. The financial statement should include only Foundation funds received and expended under this grant during the period covered by the report. It is assumed that the financial statement will be prepared from books and records maintained on a fund-accounting (cash) basis. Only expenditures made in support of the grant purposes should be charged against the grant, and records should be maintained of such expenditures adequate to enable the use of such funds to be checked readily.

If written reports are not submitted to the Foundation on a timely basis. United States law requires that the Foundation withhold further payments, if any, to your organization and to any affiliate organization under this grant or under any other Foundation grant and prohibits the Foundation from awarding any new grants to your organization or any affiliate organization

4. Record Maintenance and Inspection

Your organization must maintain records of receipts and expenditures and make your books and records available to the Foundation for inspection at reasonable times. The Foundation may monitor and conduct an evaluation of operations under this grant, which may include a visit by Foundation personnel to observe your organization's program, discuss the program with your organization's personnel and review financial and other records and materials connected with the activities financed by this grant.

5. Record Retention [for private foundation grantees only]

If you are classified by the Internal Revenue Service as a private foundation, United States law requires that such accounting records, as well as copies of the reports submitted to the Foundation, be kept by your organization for at least four years after completion of the use of the grant funds

6. Prohibited Activities

So that the Foundation may comply with the tax laws of the United States, it is understood that Foundation grant funds will not be used for any of the following purposes:

- A. To carry on propaganda, or otherwise to attempt to influence any legislation (within the meaning of Section 4945(d)(1) of the United States Internal Revenue Code),
- B. To influence the outcome of any specific public election or to carry on, directly or indirectly, any voter registration drive (within the meaning of Section 4945(d)(2) of the United States Internal Revenue Code):
- C To make grants to individuals for travel, study or other similar purposes by such individuals (such as scholarships, fellowships or grants for research), unless such grants satisfy the requirements of Section 4945(g) of the United States Internal Revenue Code.
- D. To make any grant to any other organization (other than to public charities or exempt operating foundations) which does not comply with the requirements of Section 4945(d)(4) of the United States Internal Revenue Code: or
- E. To undertake any activity for any purpose other than the charitable purposes specified in Section 170(c)(2)(B) of the United States Internal Revenue Code.

If you have further questions regarding activities that are not permitted, please contact the Foundation.

7. Return of Unused Funds

Any grant funds, and any income earned on those funds, that are not spent or committed for the purposes of the grant as specified herein must be returned to the Foundation.

8.	Compliance

The Foundation reserves the right, in its sole discretion, to discontinue funding if it is not satisfied with the progress of the grant or the content of any written report.

If this letter correctly describes your understanding of the terms of this grant, please indicate your organization's agreement to such terms by having the enclosed copy of this letter signed by an appropriate officer of your organization and returned to the Foundation to the attention of **Reginald J. Middleton**. In signing this letter, such officer represents to the Foundation that he or she has the authority to sign this letter on the organization's behalf. Payment of any grant funds will commence following receipt by the Foundation of a signed copy of this letter.

On behalf of the Foundation, may I extend every good wish for the success of your work

Sincerely, Dusaw Caful
