Form 990-PF – Reason for Amended Form 990-PF

The 2009 Form 990-PF is being amended to comply with Internal Revenue Service instructions regarding filing a complete and accurate return. The amended return is being filed to correct errors related to excise tax, minimum investment return, and distributable amounts.

With the filing of this amended return, the organization believes it has met the Internal Revenue Service compliance requirements. The excise tax due and all undistributed amounts will be paid by January 1, 2012.

Form 990-PF – Part VII-B, line 2a-c

This amended Form 990-PF is being filed to accurately report excise tax due and ensure all distributable amounts are calculated correctly and properly distributed. The organization has not received a deficiency notice and has not engaged in any willful neglect with respect to failure to distribute income. The organization did not use a paid preparer when they filed the original 2009 Form 990-PF. There was no calculation made on the originally filed return regarding minimum investment return and distributable amounts due to a lack of understanding of how to calculate and accurately report this information.

The organization has since engaged Moss Adams, LLP to amend the 2009 Form 990-PF and bring the organization into compliance with respect to IRC section 4942(a)(2)(B), 4942(a)(2)(C), 4942(a)(2)(D). The organization will pay the appropriate excise tax and distribute all necessary amounts by January 1, 2012.
