executive committee for review. This committee consists of the president,
vie president, secretary, treasurer, and executive director.

Form 990, Part VI, Section B, Line 12c: Conflict of interest within the
scope of the role of the organization would relate to equipment design,
grant funding, or enforcement of license fee payments. Consequently, the
potential for conflict is quite narrow, and easily monitored when those
issues come up for discussion. Additionally, the organization requires
that all grant applicants disclose any potential conflicts of interest in
the grant approval process. This is the area which presents the greatest
chance of significant conflict of interest. This is also the area which is
most easily monitored, since the company can solicit conflict input from
both the applicant and from the board.
