INDEPENDENT AUDITORS' REPORT

Board of Directors
Bucks County Foundation
Bucks County Foundation, Inc. and
Newtown Community Foundation, Inc.
Doylestown, Pennsylvania

We have audited the accompanying consolidated statement of assets and net assets – modified cash basis of Bucks County Foundation (a non-profit organization), Bucks County Foundation, Inc. (a non-profit organization), and Newtown Community Foundation, Inc. (a non-profit organization), as of December 31, 2009, and the related consolidated statement of revenues, expenses, and changes in net assets – modified cash basis for the year then ended. These consolidated financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit. The prior year summarized comparative information has been derived from the consolidated financial statements for the year ended December 31, 2008, and in our reported dated October 15, 2009, we expressed an unqualified opinion on those financial statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As explained in Note 2 to the financial statements, these financial statements were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Bucks County Foundation, Bucks County Foundation, Inc., and Newtown Community Foundation, Inc., as of December 31, 2009, and the changes in its net assets for the year then ended, on the basis of accounting as described in Note 2.

NOTE 1. Organization

The Bucks County Foundation (the Foundation) was founded in 1979 as a community foundation. The purpose of the Foundation is to afford individuals the opportunity to make lasting, flexible gifts to meet the needs of Bucks County residents and to assist the County's charitable organizations – both those in existence and those to come in years ahead. Revenue is derived primarily from investments, activities, and contributions. The Foundation has a Distribution Committee that acts as the governing body for the Foundation. For discussion purposes, these footnotes refer to this Committee as a Board of Directors.

Bucks County Foundation, Inc. (BCF, Inc.), a non-profit entity created in 2006, was created to raise funds to support the mission of the Foundation. All Board members of BCF, Inc. are also Board members of the Foundation.

Newtown Community Foundation, Inc. (NCF, Inc.), a non-profit entity created in 2003, became a supporting organization of the Foundation on January 6, 2005. As a supporting organization, NCF, Inc. will raise funds to support the mission of the Foundation. An annual administration fee will be provided to the Foundation to cover a portion of the cost of the services the Foundation will provide to them, calculated annually at 1% of the asset value of the NCF, Inc.'s designated funds. NCF, Inc. has a separate Board from the Foundation, however, the Foundation has final authority in approving the selection of the officers and Board members of NCF, Inc.

NOTE 2. Summary of Significant Accounting Principles

Accounting Basis: The Foundation prepares its financial statements on the modified cash basis of accounting. The modified cash basis of accounting is a comprehensive basis of accounting other than generally accepted accounting principles. Under this basis of accounting, certain revenues and assets are recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligations are incurred. Consequently, the Foundation has not recognized receivables or accounts payable to vendors and their related effects on the changes in net assets in the accompanying financial statements. The financial statements are not intended to present financial position or results of operations in conformity with generally accepted accounting principles.

Under the modified cash basis of accounting, the Foundation capitalizes its fixed assets and depreciates them over their useful lives, rather than being expensed when purchased.

NOTE 2. Summary of Significant Accounting Principles (Continued)

<u>Basis of Presentation</u>: Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

<u>Unrestricted Net Assets</u>: Net assets that are not subject to donor-imposed stipulations. Unrestricted net assets may be designated for specific purposes by action of the Board or may otherwise be limited by contractual agreements with outside parties.

Donor Advised – funds in which the donor will advise the Foundation of organizations they prefer to receive grants. Although grant recommendations are accepted from the donors of these funds, the ultimate discretion of the use of funds lies with the Board of Directors of the Foundation.

Designated – the preferred recipient of the grants from these funds is stated in the original gift agreement. Although the donor states a preferred recipient of the funds, the ultimate discretion of the use of the funds lies with the Board of Directors of the Foundation.

Field-of-Interest — original gift agreements name a general type of organization as a preferred grant recipient. The Board of Directors of the Foundation has the ultimate discretion of the use of the funds.

Undesignated – funds which have no donor recommendation, designation or preference.

<u>Temporarily Restricted Net Assets</u>: Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Foundation and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of revenues, expenses, and changes in net assets as net assets released from restrictions.

<u>Permanently Restricted Net Assets</u>: Net assets subject to donor-imposed stipulations that they be maintained permanently by the Foundation. Generally, the donors of these assets permit the Foundation to use all or part of the income earned on any related investment for general or specific purposes.

<u>Comparative Information</u>: The financial statements include certain prior year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting policies generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Foundation's financial statements for the year ended December 31, 2008, from which the summarized information was derived.

NOTE 2. Summary of Significant Accounting Principles (Continued)

<u>Principles of Consolidation</u>: The consolidated financial statements include the accounts of Bucks County Foundation (the Foundation) and related entities: Bucks County Foundation, Inc. and Newtown Community Foundation, Inc. All significant intercompany balances and transactions have been eliminated in consolidation.

<u>Restricted Assets</u>: Restricted assets comprise cash, investments, and receivables of the permanently restricted endowment fund.

<u>Concentrations of Credit Risk</u>: Financial instruments that potentially expose the Foundation to concentrations of credit risk consist principally of cash and cash equivalents and investments. The Foundation places its temporary cash and other investments with high-credit, quality financial institutions and securities dealers, which may exceed federally and privately insured amounts at times. The Foundation does not believe that it is exposed to any significant credit risk on uninsured amounts.

<u>Fair Values of Financial Instruments</u>: The following methods and assumptions were used in estimating its fair value disclosures for financial instruments:

Cash: The carrying amounts reported in the statement of financial position approximate fair values. *Investments*: In accordance with SFAS No. 124, investments in marketable securities with readily determinable fair values are reported at their quoted fair values in the statement of financial position. Interest, dividends, realized gains and losses, and unrealized gains and losses are included in the change in net assets.

<u>Contributions</u>: Contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support, depending on the existence of nature of any donor restriction.

Donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or when the purpose of the restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

<u>Property and Equipment</u>: Property and equipment are recorded at cost if purchased or fair value if contributed. Depreciation is computed using the straight-line method based upon the estimated useful life of each asset. Maintenance and repairs are charged to expense as incurred; replacements and betterments are capitalized. The Foundation has a computer that is fully depreciated on the books with a cost of \$1,376. Depreciation expense for the year ended December 31, 2009 was \$-0-.

NOTE 2. Summary of Significant Accounting Principles (Continued)

<u>Income Tax Status</u>: The Foundation qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code; therefore, no provision for federal or state income taxes is included in the accompanying financial statements. The Foundation is not classified as a private foundation.

<u>Use of Estimates</u>: The preparation of financial statements in conformity with accounting principals generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Recent Accounting Pronouncements: Effective December 31, 2009, as required by the Accounting for Uncertainty in Income Taxes topic of the FASB Standards Codification, the Foundation adopted this policy. This topic clarifies the accounting for uncertainty in income taxes recognized in an entity's financial statements. This topic requires entities to determine whether it is more likely than not that a tax position will be sustained upon examination by the appropriate taxing authorities before any part of the benefit can be recorded in the financial statements. It also provides guidance on the recognition, measurement, and classification of income tax uncertainties, along with any related interest or penalties. This had no impact on the Foundation's financial statements.

NOTE 3. Related Party Transactions

Certain members of the Board of Directors of the Foundation are related to entities providing investment services to the Foundation in the ordinary course of business. These Board members have been appointed by outside entities.

All board members of Bucks County Foundation, Inc. are also board members of Bucks County Foundation.

NOTE 4. Trustee Agreements

The Foundation operates with PNC Bank, N.A., Wells Fargo, BNY Mellon Bank, First National Bank of Newtown, Univest, and First Savings of Perkasie as Trustees. Compensation is determined based on income earned from fund assets. Trustee fees for the year ended December 31, 2009 were \$65,275.

Notes to Financial Statements

December 31, 2009

NOTE 5. <u>Investments</u>

The Foundation is an income beneficiary only to a portion of assets contained in various irrevocable trusts being held by independent investment managers. The provisions of the trusts do not give ownership of any amount of principal to the Foundation. Further, the Foundation has no voice in the appointment of investment managers or their investment decisions. The Foundation receives only income distributions during each fiscal year. The Foundation has adopted the accounting treatment for these trusts in accordance with SFAS No. 136, Transfers of Assets to a Not-For-Profit Organization or Charitable Trust That Raises or Hold Contributions for Others. Given the nature of the promises, as well as the inability to compute the present value of the perpetual income stream of the trusts, the Foundation recorded \$7,346,929 which was its proportionate share of the total fair market value of the principal upon which its income distributions are based as permanently, temporarily restricted, or unrestricted net assets depending on the nature of the respective trust. For the year ended December 31, 2009, the Foundation received income from the irrevocable trusts of \$179,291, which has been included in restricted and unrestricted income in accordance with the specifics of each trust in the statement of revenue, expenses and changes in net assets. Also, an increase in the fair value of the beneficial interest in trusts of \$1,317,415 has been recorded as a restricted and unrestricted activity for the year ended December 31, 2009 in accordance with the specifics of each trust in the statement of revenue, expenses and changes in net assets.

The underlying assets of the Foundation's beneficial interest in trusts as of December 31, 2009 are summarized below:

	<u>F</u>	<u>fair Value</u>
Temporarily Invested Cash	\$	365,808
Mutual Funds - Fixed Income		2,227,539
Mutual Funds - Equity		4,753,582
	\$	7,346,929

The investments held by the various trusts are exposed to various risks, such as interest rate, credit and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that such changes in the values of the investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of assets and net assets.

NOTE 6. Agency Liabilities

Liabilities under agency accounts represents funds transferred to the Foundation by charitable organizations and held by the Foundation in separate funds for the benefit of such charities. The related assets are reflected as agency cash. Such amounts are accounted for in accordance with Statement of Financial Accounting Standard No. 136, Transfers of Assets to a Not-for-Profit Organization or Charitable Trust that Raises or Holds Contributions for Others.

NOTE 11. Endowments

The Foundation adopted Statement of Financial Accounting Standard (SFAS) No. 117-1, *Endowments for Not-for-Profit Organizations*, effective January 1, 2008. The adoption of SFAS No. 117-1 did not have a material impact on the Foundation's financial statements, although it did result in expanded disclosures.

The Foundation's endowments consist of individual funds established for a variety of purposes. The endowments consist of unrestricted, temporarily restricted, and permanently restricted investments. As required by GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law: The Board of Trustees of the Foundation have interpreted the law as requiring any donor-restricted contributions as being classified as unrestricted, temporarily restricted, or permanently restricted depending on the nature of the restriction. The organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purpose of the Foundation and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the organization
- (7) The investment policies of the organization

Return Objectives and Risk Parameters: The Foundation has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Foundation must hold in perpetuity or for a donor-specified period. Under this policy, as approved by the Board of Trustees, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of the S&P 500 index while assuming a moderate level of investment risk. The Foundation expects its endowment funds, over time, to provide an average rate of return, however, actual returns in any given year may vary from this amount.

Strategies Employed for Achieving Objectives: To satisfy its long-term rate-of-return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Foundation targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Notes to Financial Statements

December 31, 2009

NOTE 11. Endowments (Continued)

Spending Policy and How the Investment Objectives Relate to Spending Policy: The Foundation has a policy of appropriating each year 5 percent of its endowment funds' average fair value over the prior 12 quarters through the calendar year-end preceding the fiscal year in which the distribution is planned. In establishing this policy, the Foundation considered the long-term expected return on its endowment. Accordingly, over the long term, the Organization expects the current spending policy to allow its endowment to grow at an average rate of 4 percent annually. This is consistent with the Foundation's objective to maintain the purchasing power of the endowment assets held in perpetuity or for a specified term as well as to provide additional real growth through new gifts and investment return.

NOTE 12. Subsequent Events

The Foundation has evaluated events and transactions for potential recognition or disclosure in the financial statements through July 29, 2010, the date the financial statements were available for release. No subsequent events have been recognized or disclosed.
