Part IV Supplemental Information

Complete this part to provide the information required in Part I, line 2, and any additional information.

Educate Lanka Foundation has established a comprehensive monitoring and feedback system to track the use of its funds in Sri Lanka. We send our funds directly to our own individual liaisons whom we have hand selected. They then distribute the funds among the students they oversee. In addition to the receipts from liaisons upon receiving funds from us, each student also signs a receipt upon receiving money from the liaison. Students also submit a report on how they utilized previous scholarship funds. In addition, they also report their educational and personal progress. This process continues on a periodic basis (currently every six months).
