The Mayan Miracle Foundation's goal is to provide the following to Mayan villages located throughout Central America through donations of money, service, time and goods from the general public.

1. Help to provide medical assistance and regular checkups. Help educate and train the Mayan people on first aid and medical care.
2. Provide the basic educational supplies to keep their schools supplied. Help build libraries and keep them supplied with books to fight against illiteracy.
3. Educate the Mayan villagers to be more self-sufficient and provide them with the means to feed their families through gardening, raising livestock and vocation training.
4. Teach the basic needs to improve the community by providing trash disposal, sanitary water systems, proper disposal of waste and other health-related projects.
5. Ensure the villagers basic clothing needs are met.
6. Educate the community on the basic maintenance and repairs of homes and schools in the village.
7. Provide opportunities to those individuals to improve their standard of living whom otherwise would not have the benefits we take for granted.
8. Provide life-changing experiences for our volunteers. Through their participation, they will learn the value of service, selflessness, tolerance and diversity.

These benefits are provided through trips by various persons to villages in Mexico and other Central American countries. The visits to deliver the goods and services to these villages are conducted periodically by a group of people, including trustees, that are all volunteers. Each trip is led by someone, usually a trustee, that is experienced with the area being visited and helped. The organization plans approximately four trips per year to these villages. The trips have been conducted by other individuals, including trustees, in the past, but the organization plans to expand these efforts through donations of money, goods and services from the general public.
