Identifier	Return Reference	Explanation
	Part I, Line 5	Certain officers and key employees listed in Part VII Section A line 1a are eligible to receive a bonus, in part, that is dependent on revenues. The reason for this is that our Agency is comprised of Retail thrift stores, Business Services and Program Services and as part of our mission to empower people with disabilities and other needs to achieve independence and enhance their lives, we employ individuals who are economically disadvantaged and at least 40% of our employees have a documented disability. One way to increase the number of persons served, and therefore our mission, is to provide incentives that will serve to increase the number of retail thrift stores and retail thrift store operations, the number and size of our programs that serve these individuals and the number and size of the contracts in Business Services which all employ individuals with a disability.
	Part I, Line 6	Certain employees may receive incentive compensation that is based on the net results of a segment of the agency's operations. The agency believes that this is sound fiscal policy in light of our stewardship role in relation to the assets donated to us by the communities that we serve.

Identifier	Return Reference	Explanation
Form 990, Part VI, Section B, line 11		The 990 is compiled by the outside auditors from the audited trial balance and other supplemental schedules prepared by internal Finance staff. The CFO reviews the draft 990 and revises or rewrites as necessary. Manager and partner review from the outside auditors will result in questions and or revisions. The advance draft is reviewed by the CFO and the Vice President and the President. Any necessary modifications are made to the 990. The final draft from the auditors which has been reviewed extensively by senior management as mentioned above is then sent to the members of the audit committee. Any questions are responded to and any necessary modifications are made. The audit committee, upon being satisfied by their review, recommends that the 990 can be filed. The full Board is notified of this action at the next meeting.
Form 990, Part VI, Section B, line 12c		Each Board member is required to fill out a conflict of interest questionnaire annually. These questionnaires are reviewed by the Executive Committee and the Committee would recommend any action that might be necessary.
Form 990, Part VI, Section B, line 15		All disqualified persons, which in 2009 consisted of Amy Luttrell, Lance Detrick and Leo Dugdale, have their compensation reviewed annually by the Executive Committee of the Board. Comparable data for base compensation, bonus and fringe benefits is developed by Mercer Consulting and made available to the Board. The Board uses this data to set the compensation of the President. The President sets the compensation of the Vice President and the CFO, which is approved by the Executive Committee of the Board. The Executive Committee will always ask if any members have a conflict of interest with respect to approving the compensation of the disqualified individuals. If so, they do not vote. The results of the review and the voting are documented in the minutes.
Form 990, Part VI, Section C, line 19		Although the 990 is available to the public, conflict of interest and financial statements are generally not made available to the public although summarized financial information prepared from the audited financials is made available in the annual report.
