Part III Supplemental Information

Complete this part to provide the information, explanation, or descriptions required for Part I, lines 1a, 1b, 4c, 5a, 5b, 6a, 6b, 7, and 8. Also complete this part for any additional information.

The 2009 compensation for Donald Hoffman (the President and Chief Executive Officer), Patricia O'Connor (the Vice President and Chief Operating Officer) and Daniel Geeding (the Vice President and Chief Financial Officer) (the "Officers") was established in late 2008 by the independent members of the organization's Executive Committee. The Executive Committee retained an independent compensation consultant to advise it concerning the reasonableness of each Officer's total compensation. The independent compensation consultant met with the Executive Committee when it determined the Officers' compensation. An Officer was not present when the Executive Committee discussed and established his or her compensation.

In establishing an Officer's compensation, factors reviewed by the Executive Committee included: (i) the Officer's individual performance; (ii) the performance of the organization; (iii) the Officer's length of service, credentials and experience; (iv) for Dr. O'Connor and Dr. Geeding, salary recommendations by Mr. Hoffman; (v) the elements of each Officer's total compensation and a salary history; (vi) the organization's compensation targets and raise pool; and (vii) comparability data, including data prepared by and reviewed with the Executive Committee by the independent compensation consultant. (Mr. Hoffman is independent of Dr. O'Connor and Dr. Geeding.) After considering these factors, the Committee set each Officer's 2009 compensation. In acting to establish each Officer's compensation, the Executive Committee determined the Officer's total compensation to be reasonable and in the organization's best interest and for its benefit. At the next meeting of the organization's full Board, the Executive Committee reported, in an executive session that did not include any of the Officers, the compensation of each Officer and the basis for the Executive Committee's compensation decisions. The Executive Committee contemporaneously documented in minutes its deliberations concerning the Officers' compensation.

Part VI: Section B: Question 15a:

The 2009 compensation for the organization's President and Chief Executive Officer ("President") was established in late 2008 by the independent members of the organization's Executive Committee. The Executive Committee retained an independent compensation consultant to advise it concerning the reasonableness of the President's total compensation. In establishing the President's compensation, factors reviewed by the Executive Committee included: (i) a Board evaluation of the President's individual performance; (ii) the performance of the organization; (iii) the President's length of service, credentials and experience; (iv) the elements of the President's total compensation and his salary history; (v) the organization's compensation targets and raise pool; and (vi) comparability data, including data prepared by and reviewed with the Executive Committee by the independent compensation consultant. Schedule O (Form 990) **Supplemental Information to Form 990** **2009**

The Health Foundation of Greater Cincinnati **EIN: 31-0932681**

Part VI: Section B: Question 15b:

The 2009 compensation for the organization's Vice President and Chief Operating Officer and Vice President and Chief Financial Officer (the "Officers") was established in late 2008 by the independent members of the organization's Executive Committee. The Executive Committee retained an independent compensation consultant to advise it concerning the reasonableness of each Officer's total compensation. The independent compensation consultant met with the Executive Committee when it established the Officers' compensation. The Officers were not present when the Executive Committee discussed and established their compensation.

In establishing an Officer's compensation, factors reviewed by the Executive Committee included: (i) a review of the Officer's individual performance by the President and Chief Executive Officer; (ii) the performance of the organization; (iii) the Officer's length of service, credentials and experience; (iv) compensation recommendations by the President and Chief Executive Officer; (v) the elements of each Officer's total compensation and a salary history; (vi) the organization's compensation targets and raise pool; and (vii) comparability data, including data prepared by and reviewed with the Executive Committee by the independent compensation consultant. (The organization's President and Chief Executive Officer is independent of the Officers.) After considering these factors, the Committee established each Officer's 2009 compensation. In acting to establish each Officer's compensation, the Executive Committee determined the Officer's total compensation to be reasonable and in the organization's best interest and for its benefit. At the next meeting of the organization's full Board, the Executive Committee reported, in an executive session that did not include the Officers, the compensation of each Officer and the basis for the Executive Committee's compensation decisions. The Executive Committee contemporaneously documented in minutes its deliberations concerning the Officers' compensation.

Because the 2009 compensation for the Secretary/Assistant Treasurer was below $100,000, she was not considered a key employee. The President and Chief Executive Officer established the 2009 compensation for the Secretary/Assistant Treasurer in late 2008 based on the following factors: (i) recommendations from the Vice President and Chief Financial Officer, to whom the Secretary/Assistant Treasurer reports; (ii) the Secretary/Assistant Treasurer's performance, length of service, credentials and experience; (iii) compensation surveys for comparable positions; and (iv) recommendations by the organization's independent compensation consultant about an organization-wide raise pool. Both the President and Chief Executive Officer and the Vice President and Chief Financial Officer are independent of the Secretary/Assistant Treasurer.
