Premier Health Partners, of which Miami Valley Hospital Foundation is a member, has an incentive component for all executive and director level employees that ties a portion of their total compensation to organizational and individual objectives and outcomes. The organizational criterion is weighted according to balanced scorecard categories: Positive Work Environment (15%), Quality (30%), Customer Satisfaction (25%), Financial (20%), and Major Initiatives (10%). The financial category of the scorecard is based on net earnings of the individual hospital and the net earnings of the system as a whole. This financial target is set based on the margin required to maintain the system Aa credit rating. Vice Presidents and above the incentive objectives are weighted 50% on organizational criteria and 50% on individual criteria. Directors are weighted 25% on organizational criteria and 75% on individual criteria.

Part I. Line 4b:

Due to restrictions imposed by the Internal Revenue Code, an upper level executive is limited in the amount of benefits under a qualified retirement plan. Like many employers, Premier Health Partners, which Miami Valley Hospital Foundation is a member, compensates for this limitation and supplements the executives' pension through certain nonqualified plans. The Non-Qualified Restoration Plan is subject to a multi-year vesting requirement. The individuals listed have met this multi-year vesting requirement and received the associated payment in 2009:

Form 990 - Part VI - Question 15

Premier Health Partners (PHP), of which Miami Valley Hospital Foundation is a
member, follows a market based compensation philosophy designed to attract and retain
the executive talent required to meet the high performance standards of our board and
our community. PHP annually reviews executive compensation survey data for a national
peer group of systems and hospitals that are similar in size and complexity to PHP and
its subsidiaries. The data for the survey is provided by a third party consultant
group that is independent of PHP. This report includes comparability for key executives,
vice presidents and director level positions. The independent comparability data is
reviewed by the Executive Compensation Committee on an annual basis. This committee is
comprised of three members, all of which are independent. The committee reviews in
detail the compensation of the PHP CEO, PHP CFO and the hospital CEO's. Other positions
are reviewed at a high level for reasonableness. All the meeting minutes are documented
and kept on file along with the comparability data and the consultant report. After
the compensation committee reviews and approves the compensation actions, the
process is audited by the Internal Audit Department. The Executive Compensation
Committee presents the compensation actions with the PHP Board annually.
