**Form 990, Part VI, Section B, Question 15**

Premier Health Partners, of which Atrium Medical Center Foundation is a member, follows a market-based compensation philosophy designed to attract and retain the executive talent required to meet the high performance standards of our board and our community. PHP annually reviews executive compensation survey data for a national peer group of systems and hospitals that are similar in size and complexity to PHP and its subsidiaries. The data for the survey is provided by a third party consultant group that is independent of PHP. This report includes comparability for key executives, vice presidents and director level positions. The independent comparability data is reviewed by the Executive Compensation Committee on an annual basis. This committee is comprised of three members, all of which are independent. This committee reviews in detail the compensation for the PHP CEO, PHP CFO and the hospital CEOs. Other positions are reviewed at a high level for reasonableness. All the meeting minutes are documented and kept on file along with any comparability data and the consultant report. After the compensation committee reviews and approves the compensation actions, the process is audited by the internal audit department. The Executive Compensation Committee presents the compensation actions to the PHP board annually.
