4a) Managing a Statewide Giving Program:

In 2009 a milestone for the Advocates for Kids Statewide Giving Program was achieved. In 2009 Advocates for Kids total giving primarily in support of programs serving children with special needs reached over one million dollars. In 2009 Advocates for Kids provided \$162,242 of support. In 2009, \$96,975 provided support for programs serving children who are deaf or hard of hearing. Deaf Services Center in Columbus Ohio received \$29,475 in funding and represented the largest single recipient of support. The remainder of the grants awarded ranged from \$100 to \$12,500. Of the total \$1,040,264 awarded to date, \$434,171 has been given to deafness related programs. The vast majority of grants awarded were for under \$8,000 and given to organizations with revenues under \$5,000,000.

4b.) Establishing Initiatives to Promote Services for Children with Special Needs: Creating summer programming and communication opportunities for children who are deaf and hard of hearing throughout Ohio.

Many parents and educators acknowledge that children's academic skills may regress during the summer months. However, in the absence of the quality and quantity of support services received during the school year, children with special needs are at much greater risk of significant regression academically, socially and emotionally. For example, throughout the school year, development of communication skills is an ongoing priority for children who are deaf. They spend most of the school day with teachers and staff who are trained to communicate using a variety of communication modes. Additionally, the children have an opportunity to communicate with other friends and fellow students who are deaf. Because of this communication-rich environment, generally children who are deaf or hard of hearing thrive. However, during the summer months, this communication-rich environment is not available. Furthermore, many of these children are in situations where communication is extremely limited and, in some extreme instances, almost non-existent. This lack of communication during summer months can have a dramatic, negative impact. Consequently, Advocates for Kids created an initiative to create summer programming for children who are deaf and hard of hearing throughout Ohio. As a result of this initiative, summer camps and other therapeutic activities specifically designed to promote socialization as well as communication for children who are deaf and hard of hearing have been developed throughout the state. In 2004, initial grants of \$5,000 were awarded to six organizations in Ohio. Prior to these grants, the Columbus Deaf Services Center was the only Community Center for the Deaf in Ohio to regularly provide summer programming for children who are deaf and hard of hearing. In 2005, seven organizations received summer programming grants. In 2006 and 2007 eight centers received summer programming grants of \$7,500 each. In 2008 Advocates for Kids awarded seven \$7,500 grants in support of summer activities and in 2009 Advocates for Kids provided nine grants of \$7,500 for summer programming and activities for children who are deaf or hard of hearing. To date, Advocates for Kids has awarded grants to centers of and for the Deaf in the following cities throughout Ohio: Akron, Canton, Cleveland, Cincinnati, Columbus, Dayton, Mansfield, Portsmouth, Toledo and Youngstown. As a result of this initiative, over 300 children who are deaf participate in summer youth programming annually.

4c.) Supporting Other Charitable Organizations in the Development of Their Service Programs-- Consulting with Other Charitable Organizations in Fundraising and Charitable Giving Programs:

Advocates for Kids selected the following four organizations in Columbus, Ohio as priority programs in 2006/2007: Deaf Initiatives, Deaf Services Center, Disability Resource Network, and Willow Ridge Therapeutic Riding Program. Disability Resource Network and Willow Ridge are two newly established programs that received start-up funds and management consultation. Deaf Services Center received financial support for their Deaf Kids and Teens Club and also receives ongoing management and development consultation. In addition to supporting these priority programs, in 2009 Advocates for Kids assisted 20 veteran and fraternal organizations throughout Ohio in their fundraising and charitable giving programs.

4d.) Creating and Managing an Endowment to Assure the Continuation of Advocates for Kids mission:

In order to support our mission for years to come, Advocates for Kids strives to build a strong financial base. In 1999 the organization had no endowment and held only \$7,369 in total assets. By the end of 2005 corporate assets reached \$1,650,368 and by 2006 year-end assets climbed to \$2,254,290. In 2007 Advocates for Kids assets equaled \$2,671,458 and due to the economic slowdown and poor investment returns in 2008 total corporate assets were \$2,406,181. In 2009 our total assets reached \$3,197,776. Funds not used in fund raising or the operations of the corporation are considered part of the Board established endowment fund. All endowment fund expenditures require prior Board approval.
