	<p>As one of the largest not-for-profit health care organizations in West Central Ohio, Lima Memorial Health System is committed to improving the quality of life in our communities through comprehensive health services. Lima Memorial is continually improving its services and facilities by keeping up with the latest technologies, providing continuing education to our health care team and updating our facilities. In 2009, Lima Memorial completed the addition of a new interventional radiology lab and began construction on a \$5 million project to upgrade the hospital's electrical system. Lima Memorial also continues to provide exceptional care to patients. Our patient satisfaction numbers continue to improve and we continually achieve quality scores that are better than the state and national averages. The Health System provides comprehensive health care that allow us to care for our patients from birth through elder years. These services include, but are not limited to: * 24-hour Emergency Services including Level II Trauma* Chest Pain Center with PCI* The Heart and Vascular Institute* Orthopedics* Obstetrics and Pediatrics* Women's Health Center* Radiology* Laboratory* Inpatient and Outpatient Rehabilitation Services* Neurology* Renal Services. In 2009, Lima Memorial contributed an estimated \$26 million in community value in terms of community benefit expenditures, charity care and government-sponsored health care. This number not only indicates our commitment to our communities, but also fulfills our purpose as a not-for-profit organization by positively impacting the members of our communities. Thousands of people have benefited from the compassion, care and expertise of our physicians, nurses, associates and volunteers. Examples of programs benefiting the broader community include, but are not limited to: -Community Wellness Day-Go Red - Heart Health Awareness for Women Events-Journey to Remember Women's Health Benefit-Meals on Wheels -Kids Clinic-Children's Developmental Center-Baby Fair-Chest Pain Center-Bone Density Screenings-Audiology Screenings-Cardiac Risk Assessment Screenings-Prostate Screenings-Skin Cancer Screenings-Cancer Resource Center-Medicare Eligibility Program-Breast Cancer Survivor Support Group-Family Birth Clinics-Women's Resource Center-TV and Radio PSAs-Breast Feeding Class and Clinic-Smoking Session-I'm Special Program-Blood Drives. As health care continues to change, Lima Memorial will continue to provide the highest quality of care in a family atmosphere to our patients by continually advancing our services and facilities. In addition, the Health System will support our communities, not only through comprehensive health care, but also through outreach activities such as health care awareness and prevention programs, free public health screenings, financial support for many community organizations, and outreach to the underserved. Community Benefit Definition: Lima Memorial Health System's 2009 community benefit report was prepared in accordance with the reporting guidelines published by the Catholic Health Association. Community benefits reported by the Health System respond to an identified community need and meet at least one of the following criteria: -Generate a low or negative margin, -Respond to the needs of special populations, such as minorities, frail, elderly, poor persons with disabilities, the chronically mentally ill, and persons with AIDS, -Supply services or programs that would likely be discontinued if the decision were made on a purely financial basis. These services include: -Community health services, -Health professions education, -Subsidized health services, -Research activities, -Financial contributions, -Community building activities, -Community benefit operations, -Cost of charity care, and -Government sponsored health care.</p>

Supplemental Information

Complete this part to provide the following information

1 Provide the description required for Part I, line 3c, Part I, line 6a, Part I, line 7g, Part I, line 7, column (f), Part I, line 7, Part III, line 4, Part III, line 8, Part III, line 9b, and Part V See Instructions

Part I, Line 7

Part III, Line 4 Accounts receivable for patients, insurance companies, and governmental agencies are based on gross charges An allowance for uncollectible accounts is established on an aggregate basis by using historical write-off rate factors applied to unpaid accounts based on aging Loss rate factors are based on historical loss experience and adjusted for economic conditions and other trends affecting the Hospital's ability to collect outstanding amounts Uncollectible amounts are written off against the allowance for doubtful accounts in the period they are determined to be uncollectible An allowance for contractual adjustments and interim payment advances is based on expected payment rates from payors based on current reimbursement methodologies This amount also includes amounts received as interim payments against unpaid claims by certain payors

Part III, Line 8 Based on a cost to charge ratio, the costs of providing care to the Medicare population in 2009 was \$52,579,873 The payments related to these services were \$41,457,311 Leaving a Medicare shortfall of \$11,122,562 for the year

Part III, Line 9b Patients do not receive any notice from Lima Memorial Hospital until balances are determined to be the patient's responsibility Primary self-pay accounts are referred to an outside agency as an extension of the Business Office at day 45 Accounts remain with the agency until it is at a zero balance or 150 days At 150 days the account is closed back and given to the subsequent agency for regular collection follow up Balance after insurance accounts are referred to an outside agency once any money is moved into self-pay The account is kept for a minimum of 90 days and then referred to a collection agency

2 Needs assessment. Describe how the organization assesses the health care needs of the communities it serves

Part VI, Line 2 Lima Memorial Health System regularly participates in comprehensive community health needs assessments to identify far-reaching health needs faced by people in the communities served by the Health System Assessment results are evaluated over time and serve as the basis to develop new or expanded plans to address services in response to needs Lima Memorial Health System joined other area organizations to develop, implement and utilize the 2009 Allen County Community Health Needs Assessment The needs assessment collected data for Allen County adults (ages 19 years of age and older) and youth (ages 12 through 18) who participated in a county-wide assessment survey during 2009 The findings are based on self-administered surveys using a structured questionnaire The questions were modeled after the survey instruments used by the Centers for Disease Control and Prevention for their national and state Behavioral Risk Factor Surveillance System and Youth Risk Behavior Surveillance System The survey assessed the following areas community concerns and services, physical health issues and behavioral health issues For areas outside of Allen County, Lima Memorial utilizes data from additional county-based needs assessment when available The results of this survey are being used to shape the Lima Memorial community outreach efforts Assessment SummaryWhen asked to rank community problems from a prepared list, 43% of respondents noted unemployment as the single most important problem facing local families Residents identify job training & employment services as the single most important service need in the county in 2009 Crime prevention services was ranked the second most important/most needed service in 2009 Other important and emerging community problems are family issues of domestic violence, quality of life, and parenting Other important services included health care services, youth programs and care of the elderly Almost one-quarter (24%) of Allen County adults reported in 2009 that they had attempted to get assistance from a social service agency 58% of those adults did receive assistance and only 1% of adults reported they did not know where to look for assistance Previous assessments brought to light some of the physical health challenges Allen County residents faced and high rates of chronic disease Although Allen County death rates for heart disease, cancer, stroke, and diabetes have decreased, the number of adults who report having clinical indicators and lifestyle characteristics associated with them has increased in several areas Two areas that have increased since a 2002 survey are considerably above state and national rates high blood pressure and excessive body weight About 3 out of 4 Allen County adults are considered overweight or obese by Body Mass Index standards(BMI) Some positive changes were noted - fewer adults report no leisure time activity, indicating they are more active than previous assessments found, and cigarette smoking is down in Allen County, though still slightly higher than state and national rates Health care was identified as one of the top three most important services in Allen County and the majority of adults (86%) report having health care coverage Despite this, fewer women are participating in screenings for early detection of cancer A notable improvements from 2002 was the percentage of adults who have visited a dentist in the past year, though reported dental visits within the past year are still lower in Allen County compared to state and national rates Lifestyle characteristics that correspond with reduced risk for chronic disease include a healthy body weight, adequate fruit and vegetable consumption, regular leisure-time physical activity, and not smoking, yet only 0 8% of Allen County adults engage in all four healthy lifestyle characteristics Some of the health issues facing Allen County youth include early sexual activity and teen pregnancy, bullying, and lack of safety habits such as wearing helmets when riding bicycles and ATVs, and lack of regular seatbelt use

3 Patient education of eligibility for assistance. Describe how the organization informs and educates patients and persons who may be billed for patient care about their eligibility for assistance under federal, state, or local government programs or under the organization's charity care policy

Part VI, Line 3 All patients of Lima Memorial Hospital are educated on the hospital's charity care program during the registration process via wall-posted statements, hospital personnel inquiries, etc Information regarding the hospital's charity care is also found on Lima Memorial Hospital's website Statements going to patients also indentify this program

4 Community information. Describe the community the organization serves, taking into account the geographic area and demographic constituents it serves

Part VI, Line 4 Lima Memorial Health System serves a 10 county area that includes more than 475,000 people The counties include Allen, Auglaize, Putnam, Hancock, Mercer, Harding, Logan, Shelby, Paulding, and Van Wert The medium household income for the region is \$44,300 24% of residents are under 18 years-old, while 14 5% of residents are 65 years-old or older 95 4% of our entire service area is Caucasian, while 2 75% are African American In our primary service area of Allen County 85 6% are Caucasian, while 11 7% are African American The region is primarily rural with small communities The largest city in the region is Lima with a population of more than 38,000

5 Community building activities. Describe how the organization's community building activities, as reported in Part II, promote the health of the communities the organization serves

Part VI, Line 5 Beyond the Numbers Key Community Benefits Activities of 2009Lima Memorial develops programs and services to address community health needs and makes investments in initiatives that align with the Health System's mission, vision, and values The majority of Lima Memorial's community benefit investment was in the area of charitable care to ensure that those without insurance or with limited insurance have access to needed medical care Beyond that focus are programs and services that benefit every resident and support the far reaching goal of a healthier west central Ohio Lima Memorial Health System cannot meet all of the healthcare needs without the engagement and support of key stakeholders including our Medical Staff, as well as other community organizations Community Health ServicesIn 2009, Lima Memorial Health System provided and/or participated in more than 100 community health service programs Included in this category are including health and wellness education, health screenings, community development, and services to help people adopt healthy life-style changes Also included are the myriad of support group activities that help patients and their families manage chronic health conditions Key initiatives this past year include diagnostic heart and vascular screenings for at-risk adults, childhood diabetes education in area schools, injury prevention and awareness, and healthy eating events A third subset of this category includes Health Care Support Services, or those services that are provided to assist community members in accessing both information and the medical care that they need Chief among the Health System's support initiatives are the Financial Counselors that ensure that patients who are struggling financially and/or lack medical insurance are afforded the care that they need Health Professions EducationLima Memorial Health System believes that having highly trained medical personnel benefits everyone in the community Beyond on-going education for physicians, nurses, technicians, and other clinicians, the Health System supported numerous special initiatives in 2009 to further the capabilities of area medical personnel As part of the partnerships with numerous colleges and universities, Lima Memorial served as a training site for nearly 300 nursing students in 2009 Lima Memorial provides education outreach beyond the walls of the Hospital to support medical education in the community by providing hundreds of hours of training for area EMTs and paramedics Financial ContributionsLima Memorial provides both cash and in-kind support to individuals and other community organizations The Sponsorship Fund provides funding support to west-central Ohio programs that address identified community needs and serve vulnerable populations In 2009, Lima Memorial contributed to more than 50 organizations including the Equestrian Therapy Program, YMCA of Lima, American Cancer Society, the Allen County Sheriffs Department, the United Way, and the American Red Cross Community Benefit OperationsFor 2009, the only Community Benefits expense recorded is the staff expense to track and report on the Health System's community benefit investment The applicable costs for staff engaging in actual community benefit services and programming are reported within specific initiatives and activities Last year's expense of \$11,787 represents the functional allocation of staff time and may be underreported Charity CareIn accordance with reporting requirements, Lima Memorial's charity care expense is based upon costs versus charges Charity Care includes Lima Memorial's traditional inpatient and emergency services When a patient is approved to receive financial assistance, that approval is for a six-month period and includes all hospital care This approach ensures that assistance is portable and that patients have access to needed medical services by making a single application A key goal is to identify community members in need sooner The result is more charity care and fewer bad debts Government Sponsored HealthcarePayment shortfalls for public insurance programs, including Medicaid and Medicare, were \$17,467,895 in 2009, an increase of 2 percent over 2008

6 Provide any other information important to describing how the organization's hospitals or other health care facilities further its exempt purpose by promoting the health of the community (e g , open medical staff, community board, use of surplus funds, etc)
