**WEAVER POPCORN FOUNDATION, INC.**  
**FEDERAL EIN: 35-2026043**  
**SCHOLARSHIP PROCEDURE**

Certain college scholarships (collectively, the "Scholarships"), including (but not limited to) the Robert Straight Scholarships (the "Straight Scholarships"), will be awarded by Weaver Popcorn Foundation, Inc. (the "Foundation"), in accordance with the following steps and requirements.

1. Nature of Scholarship. Every Scholarship awarded under this procedure will be a scholarship under Section 4945(g)(1) of the Internal Revenue Code of 1986, as amended (the "Code"), used to pay all or a part of a recipient's expenses incurred in attending an educational institution described in Code section 170(b)(1)(A)(ii).

2. Candidates for Scholarships. The selection of all Scholarship recipients will be on an objective and nondiscriminatory basis. No disqualified person with respect to the Foundation will be eligible for consideration. Donors to the Foundation will not be allowed to designate Scholarship recipients or other educational grantees.

2.01. The Foundation anticipates that the Straight Scholarships will be made only to graduating seniors of Huntington North High School (the "High School"), located in Huntington, Indiana, to enable them to attend postsecondary institutions of higher education. Approximately 450 students will graduate from the High School in 2004. Accordingly, the approximate number of all eligible Straight Scholarship recipients is 450.

2.02. Other scholarships will be made to worthy individuals who live in the United States of America to enable them to attend institutions of higher education in the United States. The approximate number of eligible recipients of such scholarships is unknown at this time.

3. Publicity. The Foundation may publicize the availability of the Scholarships through direct and indirect contacts with the general public. The Scholarships also may be publicized through various charitable and educational organizations that work with and provide services to youth and other worthy individuals in and around Huntington, Indiana. In particular, the Straight Scholarships may be publicized through guidance counselors and other appropriate staff and faculty at the High School. The Foundation may expand its publicity efforts as appropriate.

4. Applications for Scholarships. The Foundation may accept applications for the Scholarships that include some or all of the following:

4.01. A transcript of prior academic achievements.

4.02. A report of performance on tests designed to measure ability and aptitude for academic work.

4.03. A description of financial need.

4.04. An essay written by the applicant describing the applicant's interests and aspirations.

4.05. A description of past involvement in extracurricular activities.

4.06. A list of academic honors and recognitions.

4.07. Written recommendations by individuals not related to the applicant.

4.08. The names of the educational institutions to which the applicant intends to apply.

5. Personal Interviews. When appropriate, Scholarship applicants will be interviewed by the group making the selection (the "Selection Committee") in person or by telephone.

6. Selection from Within Group of Potential Recipients. The criteria used in selecting recipients from the group of applicants will be reasonably related to the purposes of the particular Scholarship. Criteria may include, but will not be limited to, prior academic performance; performance on tests designed to measure ability and aptitude for college work; recommendations from educators, social workers, and others not related to the potential recipient; financial need; and the conclusions that the Selection Committee might draw from personal interviews as to the applicant's motivations, character, ability, and potential. Factors that are not reasonably related to the purposes of the Scholarships, such as race and gender, will not be considered and will have no influence on the selection of recipients. Initially, the Foundation anticipates that it will award one Straight Scholarship each year, but in the future that number may increase. The number of other Scholarships that may be awarded in the future is unknown at this time.

7. Selection Committee. The Straight Scholarship Selection Committee initially will consist of five (5) individuals, including three (3) active or retired members of the High School's faculty and the President of the Foundation and his or her designee. Subsequent members of the Straight Scholarship Selection Committee may be appointed or designated by the initial members of such committee or by the Foundation's Board of Directors. The Selection Committees for other Scholarships will consist of some or all of the members of the Foundation's Board of Directors or their appointees or designees.

8. Private Benefit Prohibited. No member of a Selection Committee will be in a position to derive a private benefit, directly or indirectly, by the selection of one or more particular Scholarship recipients. Furthermore, spouses and dependents of members of a Selection Committee will be ineligible to receive a Scholarship.

9. Terms and Conditions of Scholarships. The following terms and conditions will apply to the Scholarships awarded pursuant to the procedure described herein:

9.01. Each Scholarship will be awarded by the Selection Committee in an amount determined by it, not to exceed the anticipated cost of the recipient's tuition, board, room, fees, books, supplies, travel costs, and incidental expenses for attendance at the educational institution by the recipient. The institution must be described in Code section 170(b)(1)(A)(ii).

9.02. Generally, each Scholarship will continue for the designated term of the Scholarship during the recipient's course of study at such institution, so long as the recipient maintains satisfactory progress toward completion of his or her course of study and otherwise conforms to the terms and conditions of this procedure.

9.03. In any event, each Scholarship will continue only so long as it constitutes a scholarship or fellowship grant described in Code section 117(a) (as in effect on the day before the date of enactment of the Tax Reform Act of 1986).

9.04. The course of study for which Scholarships are available will not be limited in a manner that benefits directly any donor, employer, or the Foundation.

9.05. The Foundation may make Scholarship payments directly to the educational institution, in which instance the Foundation will secure the agreement of such institution (i) to use such payments for the recipient's expenses and (ii) to pay the excess (if any) to the recipient only if the recipient is enrolled at the institution and the recipient's standing at the institution is consistent with the purposes and conditions of the Scholarship. In certain other instances, the Foundation may make payments directly to the recipient, subject to the supervision and investigation requirements set forth herein.

10. Retention of Records. The Foundation will retain written records pertaining to all Scholarships awarded under this procedure, including the following:

10.01. All information used to evaluate the qualifications of potential recipients.

10.02. Identification of each recipient (including any relationship of the recipient to the Foundation sufficient to make the recipient a disqualified person of the Foundation within the meaning of Code section 4946(a)(1)).

10.03. Specification of the amount and purpose of each Scholarship.

10.04. The reports and other follow-up information obtained under this procedure.

11. Scholarship Administration. The Foundation will employ the following procedure to supervise, investigate, and review the Scholarships awarded under these procedures:

11.01. With respect to a Scholarship paid on behalf of a recipient to an educational institution described in Code section 170(b)(1)(A)(ii), the Foundation proposes to supervise, investigate, and review Scholarships by complying with the requirements of Treasury Regulations section 53.4945-4(c)(5). Each institution to which such Scholarships are paid will be required to agree to use funds from a Scholarship to defray a recipient's expenses or to pay the funds (or a portion of them) to a recipient only if the recipient is enrolled at such institution and the recipient's standing at it is consistent with the purposes and conditions of the Scholarship.

11.02. With respect to a Scholarship paid directly to a recipient for study at an educational institution described in Code section 170(b)(1)(A)(ii), the Foundation will obtain reports, investigate any suspected diversion of funds from their proper purposes, and recover diverted funds as follows:

(a) The Foundation will ensure that it receives at least once each year a report, verified by the educational institution attended by the recipient, that sets forth the recipient's courses taken and grades received in each academic period. In the case of a recipient whose study at an educational institution does not involve the taking of courses but only the preparation of research papers or projects, such as the writing of a doctoral dissertation, the Foundation shall ensure that it receives at least once each year a brief report, approved by the faculty member supervising the recipient or by another appropriate university official, regarding the progress of the recipient's paper or project. Upon the completion of a recipient's study at the educational institution, the Foundation also will obtain a final report describing the recipient's accomplishments with respect to the Scholarship and accounting for the funds received under such Scholarship from the recipient.

(b) When the reports submitted under this paragraph, including the failure to submit the reports, indicate that all or part of the Scholarship is not being used in furtherance of the purposes of the Scholarship, the Selection Committee will investigate the matter immediately. While conducting an investigation of a recipient, the Foundation will withhold further payments until any delinquent reports required under this procedure have been submitted.

(c) If the Foundation determines that any part of a Scholarship has been used for improper purposes and a recipient previously has not diverted funds, the Foundation will take all reasonable and appropriate steps either to recover the funds or to ensure the restoration of the diverted funds and the dedication of other

Scholarship funds held by the recipient to the proper purposes. Furthermore, the Foundation will withhold any further payments to the recipient until it has received the recipient's written assurance that future diversions will not occur and has required the recipient to take extraordinary precautions to prevent future diversions from occurring.

(d) In cases where a recipient previously has diverted funds received from the Foundation, and the Foundation determines that any part of a Scholarship again has been used for improper purposes, the Foundation will take all reasonable and appropriate steps to recover the funds or to ensure the restoration of the funds and the dedication of other Scholarship funds held by the recipient to their proper purposes. Moreover, the Foundation will withhold further payments until these conditions are met: (i) such funds are in fact so recovered or restored; (ii) the Foundation has received the recipient's written assurance that future diversions will not occur; and (iii) the Foundation requires the recipient to take extraordinary precautions to prevent future diversions from occurring.

(e) As used in this paragraph, the phrase "all reasonable and appropriate steps" includes legal action where appropriate, but need not include legal action if such action would in all probability not result in the satisfaction of execution on a judgment.
