Identifier	Return Reference	Explanation
Part V, Line 4	Description of Intended Use of Endowment Funds	The endowment funds are to be used for various reasons: general operations, building maintenance & improvement, camperships & scholarships and training.
Part X	Description of Uncertain Tax Positions Under FIN 48	During 2009 the Council adopted the authoritative guidance issued by the Financial Accounting Standards Board (FASB) which clarifies the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribes a recognition threshold of more-likely-than-not to be sustained upon examination. Measurement of the tax uncertainty occurs if the recognition threshold has not been met. This guidance also addresses de-recognition, classification, interest and penalties, disclosure, and transition. The Council conducts business solely in the U S and, as a result, files tax returns for U S, Illinois and Wisconsin. In the normal course of business the Council is subject to examination by taxing authorities. The Council's tax returns subsequent to December 31, 2005 are open, by statute, for review by authorities. However, at present, there are no ongoing income tax audits or unresolved disputes with the various tax authorities that the Council currently files or has filed with. The adoption of this guidance did not have any material effect on the Council's financial position, results of operations or cash flows as of December 31, 2009. Prior to the adoption of the guidance, the Council's policy was to recognize a liability for uncertain tax positions based on management's estimate of whether it was probable that a liability was incurred and that amount could be reasonably estimated. No liability was deemed necessary for the fiscal year ended December 31, 2008.
