Part X, Line 2 - FIN 48 Footnote per audited financial statements-

The Organization operates as a not-for-profit corporation under Section 501(c)(3) of the Internal Revenue Code and is exempt from income taxes.

Effective January 1, 2009 the Organization adopted ASC guidance regarding accounting for uncertainty in income taxes.

This guidance clarifies the accounting for income taxes by prescribing the minimum recognition threshold income tax position is required to meet before being recognized in the financial statements and applies to all income tax positions.

Each income tax position is assessed using a two step process. A determination is first made as to whether it is more

Part XIV Supplemental Information (continued)

likely than not that the income tax position will be sustained, based upon technical merits, upon examination by the taxing authorities. If the income tax position is expected to meet the more likely than not criteria, the benefit recorded in the financial statements equals the largest amount that is greater than 50% likely to be realized upon its ultimate settlement. At December 31, 2009, there was no uncertain tax positions that require accrual.

The Organization believes that it has no unrelated business income and it therefore has no periods subject to examination by the Internal Revenue Service or state authorities.
