Identifier	Return Reference	Explanation
Part X	Description of Uncertain Tax Positions Under FIN 48	ThedaCare follows FASB guidance on income taxes, Accounting for Uncertainty in Income Taxes, which addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under this guidance, ThedaCare may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. Examples of tax positions include the tax-exempt status of ThedaCare, and various positions related to the potential sources of unrelated business taxable income (UBIT). The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement. The guidance on accounting for uncertainty in income taxes also addresses de-recognition, classification, interest and penalties on income taxes, and accounting in interim periods. At December 31, 2009 and 2008 there were no unrecognized tax benefits identified or recorded as liabilities. ThedaCare files Form 990 in the U.S. federal jurisdiction. Tax returns filed by ThedaCare are generally open for examination for the years 2006 through 2009.

Part III **Supplemental Information**

Complete this part to provide the information, explanation, or descriptions required for Part I, lines 1a, 1b, 4c, 5a, 5b, 6a, 6b, 7, and 8. Also complete this part for any additional information.

Identifier	Return Reference	Explanation
	Part I, Line 1a	Executives receive reimbursement for personal medical expenses at an amount grossed-up for taxes. All executives in the senior manager benefit category are eligible to have health or fitness club fees paid directly to the club, or reimbursed to them on evidence of payment. Senior executives whose duties include meeting with people outside the company for purposes of developing business relationships have company paid memberships at a local country club. 6 employees received taxable medical expense reimbursements and 2 employees received club dues reimbursements.
	Part I, Line 4a	Senior level executives of the company are entitled to an annual flexible benefit equal to 20% of the midpoint of their salary range. This 457(f) supplemental benefit plan complies with the final regulations under Section 409A and 457(f) of the Internal Revenue Code. Participants may elect the benefit to be used to purchase particular insurance benefits, invested in a capital accumulation account, or a combination of the two. Benefits are accrued on a monthly basis and are subject to the Substantial Risk of Forfeiture Agreement signed by the participants. Plan contributions are made on a quarterly basis. Figures listed under line 4b are amounts that were paid out to participants during 2009 under termination of previous years' plan designs. Part I, Line 4 - Nonqualified retirement plan Key SOP payments: Dean Gruner \$5,402; Rosellen Crow \$4,737; Keith Livingston \$23,858; Kathryn Correia \$43,151.
	Part I, Line 7	Executive At Risk Compensation Plan. The plan objectives are to enhance ThedaCare Inc's ability to achieve its goals by providing a tool for stimulating and rewarding superior levels of performance among key executives, improve ThedaCare Inc's ability to compete with other employers for high talent executives and to encourage top-level executives to work together as a cohesive group toward common goals. The president of ThedaCare Inc. develops a list of senior level executives who are eligible to participate in this plan, as well as the performance levels the senior executives must achieve and the bonus amounts that the executives will receive. The president then submits this list to the executive committee of the board of trustees for final approval. These executives must be in active regular service of ThedaCare Inc. for the entire plan year (January 1, 2008 to December 31, 2008) to receive their 2009 bonuses. If the employee retires, becomes disabled, moves to a position that is eligible under the bonus plan or moves to a position that is no longer eligible for the bonus plan or dies the plan will be prorated for the amount of time they served the company. If an eligible employee is fired or leaves the company for any other reason the plan bonus earned will be forfeited. Caring for Success. The plan objectives are to provide incentive to focus the organization's resources, energy and attention on the fulfillment of ThedaCare's mission. The organizational measure is ThedaCare's actual operating profit over budget. All eligible employees (on the payroll as of July 1, 2009 and still be on the payroll as of March 15, 2010) share in the gain. The payout amount is determined based on ThedaCare's operating margin and reduction in OSHA recordable strains and sprains. The amount per employee is determined by dividing the total gain realized (the employee share) by hours paid to all eligible employees. The resulting dollar unit payout is multiplied by an individual employee's number of hours paid. This plan is overseen by an administrative committee. The ThedaCare Board of Trustees must approve the plan.
