Part IV, Line 2b		The Natural Resources Foundation serves as the fiscal agent for several escrow accounts. These accounts are generally established as a result of legal settlements where the funds may only be used for certain environmental projects. The Natural Resources Foundation does not have control over the use of these funds and only makes disbursements from these funds as directed.
Part V, Line 4	Description of Intended Use of Endowment Funds	The Natural Resources Foundation created the Wisconsin Conservation Endowment that serves as a community foundation for conservation to provide individual donors and non-profit organizations opportunities to build a permanent and sustainable source of private funding to support all aspects of natural resources conservation in Wisconsin. The Natural Resources Foundation manages the assets of almost forty individual endowment funds that support species protection, education, habitat management, and other conservation organizations.

Form 990, Part VI, Section B, line 11		The prepared Form 990 is distributed to the members of the board to give an opportunity for review before the return is filed with the IRS
Form 990, Part VI, Section B, line 12c		Each new director and employee signs a statement acknowledging that they have received a copy of the conflict of interest policy. Each year at the January meeting the chairman reminds all directors of the importance of the conflict of interest policy and requires each director, as well as employees, to sign a statement acknowledging that they have reviewed the policy and disclosed any interests that could give rise to conflicts. The signed statements are reviewed at the management level. If any conflicts are identified, the person with a conflict is prohibited from participating in the governing body's decision on the matter.
Form 990, Part VI, Section B, line 15a		On an annual basis the chairman and one or more members of the executive committee undertake a formal evaluation of the executive director and seek information on compensation for comparable positions. The executive director is generally compensated at 80-110% of the median rate for comparable positions in similarly-sized nonprofit organizations in the area. The executive committee recommends compensation changes for the executive director for approval to the full governing body at the October meeting for the following year. This process was last undertaken in 2009.
Form 990, Part VI, Section C, line 19		The Natural Resources Foundation publishes an annual report that summarizes unaudited financial results and its accomplishments of the previous year. Audited financial statements, the conflict of interest policy, and governing documents are not made readily available to the public but are provided upon request.
