## NARRATIVE OF WEST OF THE LAKE GARDENS

West of the Lake Gardens was established by John and Ruth West as their private residence in 1934. Over the next fifty years Mrs. West developed the estate's six acres to include numerous display gardens and manicured lawns. The gardens received national acclaim in the 1950s and 1960s. Beginning in 1957 the gardens were opened to the public each summer and included an annual garden walk and garden tea, which is no longer done.

Prior to her death in October 1990, Ruth West expressed a desire for the gardens to continue as they had during her lifetime. The West Foundation was then expanded to provide custodianship of the gardens, a responsibility which continues today.

Currently West of the Lake Gardens is open daily form mid-May (weather permitting) until the area's first frost. Limited parking is available on the grounds. According to Ruth West's wishes, the gardens remain open free of charge.

The property also includes four greenhouses, constructed between 1950 and 1991, an equipment garage and multi-purpose building with visitor restroom. The gardens are staffed by two full-time gardeners and part-time seasonal help.

Located on Highway 42 on the shores of Lake Michigan, the gardens are a natural stop for travelers visiting Door County and other points of interest in eastern Wisconsin.

No events took place during the year 2007 except the normal daily operations and open to public. We cannot determine how many people visit at the current time.

Part XVI-B

The six acres of the West Gardens were maintained by John Dunham West and Ruth St. John West as public gardens during their lifetimes. These individuals are the founders of the West Foundation and it was their expressed intent that the gardens continue to be maintained as a public facility by the foundation after their deaths. The house on the premises, is presently the offices of the Ruth St. John and John Dunham West Foundation, Inc.

The Foundation received \$15 million dollars in investment type assets from the estates of Ruth and John West early in 1991. As of December 31, 2009, the average monthly value is \$38,781,865. In addition to giving consideration to grant requests and the management of the gardens, the Foundation President, with approval of the board of directors, has the responsibility for keeping the funds of the Foundation properly invested. It is estimated that approximately ten percent of the directors fees and salaries paid the President and Office Manager plus the overall expenses of the foundation office are devoted to the administration of the investment program for the assets of the Foundation.

The total qualifying distributions for calendar 2009 total \$3,975,816.

The schedule of grants made set forth as a part of this 990-PF, indicate a concentration of gifts to causes or organizations having a base in Manitowoc County. Separately the expenses connected with the maintenance of the garden are set forth as qualifying distributions in this schedule.
