Pohlad Family Foundation Summer Camp Scholarship Program

Request for Proposals
Deadline: February 12, 2009

INTRODUCTION

The summer of 2009 marks the eleventh year the Carl & Eloise Pohlad Family Foundation will make grants to help send financially disadvantaged kids to camp. The Summer Camp Scholarship Program has provided scholarship funding to nearly 10,000 youth since its inception in 1999.

PROGRAM DESCRIPTION

The purpose of the Summer Camp Scholarship Program is to provide youth, between the ages 8 and 15, and their families, the financial assistance needed to attend **residential** camping programs that are designed to enrich a child's life experience. Such camping programs should provide opportunities for social, emotional, intellectual, moral, and physical development. The program places a priority on awarding scholarships to youth that have not had a previous residential camping experience. Grantees are, however, encouraged to include youth who have had prior camping experience, and for whom, an additional experience would be beneficial. Grantees are also encouraged to inquire about jobs at camps for older youth.

The Foundation will award up to \$475,000 in scholarship funds to nonprofit organizations that provide direct services to financially disadvantaged children and families in Minnesota.

Organizations awarded grant funds will:

- Have strong relationships with the children and families they serve;
- Ensure that each child and their family select a camp based on personal interests;
- Identify and select potential campers who demonstrate the greatest financial need;
- Assist youth and parents/guardians in choosing and registering for **approved camps***;
- Directly communicate with and submit payment to selected camps;
- Complete a brief report to the Foundation at the completion of the program by the scheduled due date;
- Return all unused funds to the Foundation by the scheduled due date.

***Approved camps** are those that provide a **residential** experience of more than 2 nights, and have current accreditation from the American Camping Association or the North Central Association. In rare circumstances, the Foundation will approve additional camps. However, grantee staff must contact the Foundation in advance to discuss individual circumstances prior to registering a camper at a non-approved camp. To search for camps accredited by the American Camping Association, please visit their website at: <http://find.acacamps.org>

ELIGIBLE ORGANIZATIONS

Organizations eligible to apply are Minnesota-based 501(c)(3) organizations that:

- Provide direct services to economically disadvantaged families and/or youth (e.g. human/social service, affordable housing, education); and
- Do **NOT** operate residential summer camp programs.

Organizations that received grants from the program in previous years may apply, but a grant is not guaranteed. Organizations that demonstrate sound processes for program administration, as determined by Foundation reviewers, staff, and board will receive highest priority for grants.

GRANT

Grants to organizations will range from \$5,000 to \$16,000.

- **Administration**

Up to 10 percent of grant funds can be used for program administration (e.g. salaries, marketing, overhead).

- **Scholarships***

Grantees are required to spend at least 90 percent of the total grant award on camp scholarships and camp expenses. Scholarships cannot exceed \$500 per youth for first time campers and \$300 per youth for campers who have prior camp experience. As stated above, first-time campers are given the highest priority for this program. The number of youth awarded scholarships who are first-time campers must be at least 75 percent of the total number of youth sent to camp.

1st Time Youth: Scholarships cannot exceed \$500, and at least 75% of total youth sent to camp should be first time campers.

Prior Campers: Scholarship maximum is \$350 and total youth sent to camp having previously attended is limited to 25% of the grantee pool.

*A portion of scholarship grant funds may also be used for travel and supply needs. Up to \$50 of each scholarship is available to cover expenses such as sleeping bags, other camp-related supplies, or mileage reimbursement for travel to and from the camp. Allocation of scholarship funds for these purposes is determined by the program director. It is not required and should only be awarded when necessary for the student to attend camp. Additional funds to assist with transportation may be awarded at the discretion of the reviewer.

TIMELINE

Applications must be completed by **February 12, 2009** (please include a cover letter).

Organizations selected to receive support will be notified by **March 3, 2009** with a complete list of grantees posted on the Pohlad Family Foundation website (www.pohladfamilygiving.org).

Pohlad Family Foundation Community Grant Capital Request Guidelines

The Pohlad Family Foundation carefully considers a small number of capital requests each year. Funds available for capital requests are limited, thus few requests are reviewed.

Eligible Grant Purposes. Capital requests are considered only for physical plant improvements or significant technology investments needed by nonprofit organizations. Requests for endowment are rarely considered and thus, discouraged.

Ineligible Grant Purposes. Capital requests for housing construction, program start-up, and expansion of or to establish operating reserves are not considered.

Grant Size. Most requests will be considered for amounts up to 10% of the qualified expenses in the campaign or \$1 million, whichever is less between \$50,000 and \$250,000.

Submission and Required Materials. The Foundation prefers considering requests from organizations that have secured at least 50% of funds needed to complete the campaign. When that threshold is reached, the two-step application process described below is used.

Step 1. Submit completed "Capital Grant" application form and cover letter, and include the following documents:

- feasibility study;
- case statement;
- timeline/schedule;
- fundraising prospect list (amount of pending/future requests and status.)

Materials should be submitted by June 15 of each year. A decision about whether to review the proposal will be made by mid July.

Step 2. Representatives of organizations with requests selected for review will also be asked to submit, by August 1 of the same year:

- Project plan and timeline (Construction schedule/technology installation);
- Current strategic plan approved by board;
- List of board members with affiliations;
- Independent financial audits for two most recent fiscal years;
- Most recent annual report; and
- IRS letter confirming 501(c) 3 tax-exempt status (if organization has not received prior support from the Pohlad Family Foundation.)

Review Schedule. Requests selected for consideration will be reviewed during the fall of each year. Final decisions will usually be made by December 15 of year of application.

Review Components. To determine an organization's capacity to successfully complete the capital campaign and its ability to manage the resources derived from it, the review will seek evidence of:

- an active and properly involved board;
- excellent and responsive management;
- external program evaluation that indicates positive program outcomes and/or
- implementation of appropriate changes to improve outcomes, and
- a financially healthy organization.

Reviewers will also ask the following questions:

- Is the capital request responding to a well-documented need?
- How will hoped-for improvements increase the capacity, effectiveness, efficiency, quality and/or overall success of the organization?
- How/when will the organization evaluate the impact of planned improvements?
- How are board members, staff and volunteers involved in the campaign?
- Are improvement plan costs reasonable?
- How does the amount of the request to the Pohlman Family Foundation compare to requests of other similar-sized foundations?

If the campaign supports a construction project, these questions will also be asked:

- Will any external changes enhance the area in which the building is located?
- What is the schedule for building?
- How will staffing be affected by the new facility?
- Is there a long-range plan for financing increases in operating expenses (if applicable) and accumulating resources to maintain the building?

Application for Extension of Time To File an Exempt Organization Return

OMB No. 1545-1709

► File a separate application for each return.

- If you are filing for an **Automatic 3-Month Extension**, complete only **Part I** and check this box ☒ **►**
- If you are filing for an **Additional (Not Automatic) 3-Month Extension**, complete only **Part II** (on page 2 of this form).
Do not complete Part II unless you have already been granted an automatic 3-month extension on a previously filed Form 8868.

Part I Automatic 3-Month Extension of Time. Only submit original (no copies needed).

A corporation required to file Form 990-T and requesting an automatic 6-month extension—check this box and complete Part I only ☐ **►**

All other corporations (including 1120-C filers), partnerships, REMICs, and trusts must use Form 7004 to request an extension of time to file income tax returns.

Electronic Filing (e-file). Generally, you can electronically file Form 8868 if you want a 3-month automatic extension of time to file one of the returns noted below (6 months for a corporation required to file Form 990-T). However, you cannot file Form 8868 electronically if (1) you want the additional (not automatic) 3-month extension or (2) you file Forms 990-BL, 6069, or 8870, group returns, or a composite or consolidated Form 990-T. Instead, you must submit the fully completed and signed page 2 (Part II) of Form 8868. For more details on the electronic filing of this form, visit www.irs.gov/efile and click on *e-file for Charities & Nonprofits*.
