parents and their children in need of healing and restoration.

Parenting With Purpose does this by offering two main programs. These programs are Parenting The Future With Purpose and Mentoring For Life Change.

Form 990, Part III, Line 1, Description of Organization Mission:

accomplishes this by providing parent education and support services to families of incarcerated parents; including children, their guardians as well as the incarcerated parent. We believe that just because a parent has committed a crime does not stop them from being a parent or make them a bad parent. However, the incarcerated parent has a strong influence on their children and family. Parenting With Purpose has a plan and is committed to serve as a positive influence in the lives of children affected by a parent's incarceration. Currently, PWP is the only organization in Minnesota who provides services to the entire family affected by parental incarceration. PWP focuses on families in the Twin Cities metro area.

release from prison, PFWP also provides transition support services to those moms and dads who desire to be reunited with their children and live in the metro area of Minneapolis and St. Paul, Minnesota. In 2009, the following goals and accomplishments were achieved.

(1) 5 children visited their moms in the Minnesota Correctional Facility (MCF-SHK) in Shakopee, Minnesota.

2. 85% of the incarcerated parents served rated themselves higher in their parenting skills after they completed their parenting classes.

81% of the parenting program graduates became more involved in their children's school from the prison. 100% of the parents released acquired a job or schooling. 100% of the released parents acquired safe housing and 86% of the released parents remained crime-free.

incarcerated parent. This expansion includes more intense services to the children and their families. PWP believes that as a family is strengthened they will be a greater asset to our communities. The strengthening we believe is holistic; including living a healthy lifestyle by maintaining regular check-ups for the children and the adults; eating healthy and exercising regularly and also learning skills to reduce stress.
