Form 990, Part VI, Section B, line 11		RHF's 990 return has a comprehensive review process that is followed before it is presented to the governing body of RHF. The review process includes a layered review by the tax department of Group Health Plan, Inc. (GHI), the management team of RHF, GHI's internal legal department and RHF's outside Independent Accountants. Each one of those areas has an opportunity to review, ask questions and make comments back to the tax department before the form 990 is completed and presented to the governing body of RHF. Once that review process has been completed, it is the policy of RHF to make available to the Board of Directors of RHF a copy of the 990 prior to the filing of the 990 return. This copy will be provided in the board packet of a board meeting prior to the filing of the 990 and will be an agenda item at a board meeting. This process will be noted and documented in the written board minutes of the meeting.
Form 990, Part VI, Section B, line 12c		RHF is governed by a Board of Directors. As required by the Bylaws of RHF, the Board monitors potential conflicts of interest on the part of its board members, officers and key employees by maintaining a conflict of interest policy. Under the policy, all board members, principal officers, members of a committee with Board delegated powers and key employees annually are provided with a copy of the policy and requested to complete a questionnaire identifying any potential conflicts of interest. The General Counsel will summarize the findings following review of the questionnaire and submit a report to the Chair, President and the Executive Director. Board agendas and executive decisions are monitored in relation to this policy.
Form 990, Part VI, Section B, line 15		RHF has no employees. All Officers, Directors and Key employees are paid by Group Health Plan, Inc. (GHI) and Regions Hospital, related organizations which have an annual process to review the market comparability of the total compensation of RHF's Executive Director and its other officers. Each year, under the direction of the GHI Board of Directors' compensation committee, an annual total compensation market review is completed. The review includes all components of compensation, base salary, annual incentives, benefits and perquisites. The market survey results are presented to, reviewed by and approved by the Compensation Committee of GHI. The Compensation Committee's market review process and subsequent decisions include the following elements - Independent Body - Committee Members complete an Annual Conflict of Interest survey to assure the Committee members' independence - Staff is not in room during deliberations or vote including executive sessions - Authorized Body - Board of Directors has delegated to the Compensation Committee the accountability and authority to review and approve the comparability data of all officers and associate medical directors - The Board of Directors has delegated to the Executive Committee the accountability to conduct an annual performance evaluation and to determine the compensation of the Executive Director and other officers based on the performance review and the market comparability data - Comparability Data - Every three years, the compensation committee retains an independent compensation expert to conduct an extensive market comparability survey for all officers of the organization. With the input of the consultant, the committee determined appropriate peer groups including both local and national peer groups. The survey considers each element of total compensation and aggregate total compensation. Based on this data, the committee determines minimum and maximum total compensation ranges for each officer. In interim years, the company's HR department, under the Committee's direction uses the same recognized third party salary surveys to determine median salary structure changes and average salary increases. Based on this updated data, the committee determines the total compensation ranges for each officer. - The elements of total compensation are salary, incentives, benefits and perquisites. - Proper Contemporaneous Documentation - Minutes of the compensation committee are prepared after each meeting and approved at the next meeting. - Total compensation is appropriately reported on the Form 990 and on the employee's W-2.
Form 990, Part VI, Section C, line 19		RHF's financial statements and 990 returns are made available to any person who requests the information from RHF or HealthPartners, Inc.
