Guidelines

Dear Grant Seeker,

We encourage you to carefully review our program areas for programmatic and geographic funding priorities. Recent grant cycles have been very competitive. If you have questions regarding our guidelines and/or your organization's fit with our priorities please call and discuss your proposal ideas with Becky Erdahl, Executive Director 612-596-3279 before submitting a request. Make sure to check our forms page for standard downloadable paperwork.

Program and Funding Focus Areas

Community Grantmaking

In this program area we address needs in our historic communities of interest for populations within the cities of Minneapolis, Minnesota and New Haven, Connecticut. (We are currently unable to fund programs in St. Paul, Minnesota.) There are two community focus areas for our funding:

I. Economically Disadvantaged Children and Youth

We seek to empower economically disadvantaged children and youth by supporting their families and others to inspire, nurture, educate and guide them to achieve long-term stability and well being.

We will do this by funding programs that:

- * Enable children and youth to be successful in School.
- Provide access to resources to promote a healthy lifestyle for children and families.
- Assist children and youth to develop positive relationships with adults, life skills and positive decision making.
- * Support families' ability to nurture and support their children.
- * Provide direct access to quality arts and creative expression.

Children and Youth Guideline Fit Self-Assessment

Please use the following as a guide to determine if your proposal fits the most basic criteria for Carolyn Foundation children and youth funding.

http://www.carolynfoundation.org/guidelines.html

Carolyn Foundation FIN 41-6044416 Form 990-PF - Part XV

- 1) HAVE YOU READ THE CAROLYN FOUNDATION GUIDELINES INCLUDING THE FREQUENTLY
 ASKED QUESTIONS (FAQ) AVAILABLE ON THIS WEBSITE? IF NO, PLEASE DO SO BEFORE
 PROCEEDING.

 2) ARE THE PRIMARY BENEFICIARIES OF YOUR PROGRAM CHILDREN AND YOUTH?
 ____YES _____NO
- 3) DO THE CHILDREN WHO BENEFIT FROM THIS PROGRAM LIVE WITHIN THE CITY LIMITS OF MINNEAPOLIS, MN OR NEW HAVEN, CT? (EXCLUDING ALL SUBURBS AND ADJACENT CITIES OR TOWNS) _____ YES _____ NO
- 4) ARE A VAST MAJORITY OF CHILDREN BENEFITING FROM THIS PROGRAM FROM LOW INCOME FAMILIES (ELIGIBLE FOR FREE OR REDUCED LUNCH)? _____YES ____NO

If your answer is NO to any of the above questions, it is unlikely that your program fits our guidelines and we would discourage you from applying.

In addition to the above criteria the grant review committee will evaluate proposals based on other criteria such as: Program efficacy, Qualified staff; Demonstrated best practice criteria; Outcome evaluation, etc. (added 6/2008)

II. Community and Cultural Vitality

We seek to support the vitality of our communities arts and cultural organizations.

We will do this by funding programs that:

* Build the capacity of the arts and cultural community to deliver quality programs. (back to top)

(Additional relevant information in FAQ section)

Environmental Grantmaking

Our environmental program area is divided between responsive grantmaking for which we will consider unsolicited grant requests and foundation initiated grants for which we will not accept unsolicited requests

I. Responsive Environmental Grantmaking

The Carolyn Foundation environmental committee is currently most interested in funding renewable energy programs. We will consider other environmental proposals if funds allow.

All proposals submitted must:

- * Address root causes and create systemic and sustainable solutions and change;
- * Address global issues with local interventions that address local needs, as well as global needs.
- * Develop and implement solutions that can be replicated in other areas;
- * Collaborate effectively with others in the community: government, non-government, foundations and private parties.

II. Foundation Initiated Environmental Grantmaking

The Carolyn Foundation earmarks a portion of our environmental funds each year for projects that the foundation will identify. The foundation is not accepting unsolicited requests for these funds.

Evaluation Criteria

Successful applicants will demonstrate:

1. Their fit with one or more of the Carolyn Foundation funding priorities.

For funding related to economically disadvantaged children and youth applicants must demonstrate what percentage of their program beneficiaries are economically disadvantaged children, youth or families.

For funding related to community vitality applicants must demonstrate the connection between their program and vitality of the broader community.

For environmental grantmaking applicants should address their fit with the environmental evaluation criteria.

- 2. A clear community or environmental need and a detailed plan to meet that need.
- 3. Staff capability, sound fiscal policies and management, and provide a list of the applicant's Board of Trustees.
- 4. The relation to and distinction from other similar and/or cooperating agencies.
- Financial health and past and anticipated future sources of financial support.
- 6. A detailed plan for evaluation of the results of the proposed project including clear performance measures.

(back to top)

Funding Restrictions

- 1. The Foundation will make contributions <u>only</u> to organizations which demonstrate exemption from Federal Income tax under Section 501(c)(3) of the Internal Revenue code and which are not classified as Private Foundations.
- 2. The Foundation <u>does not make grants to individuals</u>, political organizations or candidates, veterans' organizations, fraternal societies or orders, nor does it support courtesy advertising, or respond to telephone solicitations.
- 3. The Foundation does not generally make grants to religious organizations for religious purposes.
- The Foundation does not generally make grants to organizations in support of operations carried on in foreign countries.
- 5. The Foundation does not make grants to umbrella organizations, such as federated fund drives, for the purpose of redistribution to those groups to which they make grants. On the other hand, the Foundation is willing, on occasion, to make grants to umbrella organizations for specific needs they may have.
- 6. The Foundation does not contribute to annual fund drives or to deficits already incurred. The Foundation does not support conferences, seminars, fund-raiser events, dinners, or other such requests for contributions.
- 7. The Foundation generally favors programmatic contributions over capital grants, and generally makes one-year awards. An organization is generally eligible for a grant not less than every thirty six months; for example, if an organization received a grant in June 2005, they will be eligible to next apply in January 2008; for potential funding in June 2008. The Foundation rarely makes grants in consecutive years.
