The Pella Regional Health Center Foundation was established in 1994 to support Pella Regional Health Center in its mission to provide healthcare and healing services with Christian compassion. While our history may be short, the strength and stability that we have started ensures a bright and promising long-term future- not only for the Foundation itself, but also for the people we serve. From seniors who need a little help to continue living independently to newborns who are dependent on so many, from adults battling chronic disease to youngsters benefiting from our educational offerngs, we strive to reach every generation-in every community we serve. The Legacy Society, a select group of friends of the hospital, is growing in members. Beginning in 2006, a group of individuals who shared a vision for the hospital and actively participated financially in achieving this goal were recognized for their significant contributions. It is an exciting time to become part of the Pella Regional legacy that will impact and lead healthcare in the surrounding areas for many years to come.
