Part I, Line 3c Community Memorial Hospital utilizes both an income and an asset test to evaluate eligibility for charity care. The Hospital reviews a schedule of the patient's current income and expenses to determine if the patient can reasonably be expected to make payment of medical expenses.

Part I, Line 7g Rural health clinics and the emergency services generate losses, but the continuation of these services are essential to the health needs of the community and are not provided by any other organization in the community

Part I, Line 7f Bad debt expense of \$17,641 was subtracted from total operating expense

Part I, Line 7 Line 7a and Line 7b was determine using the ratio of patient care costs to charges calculated in Worksheet 2 Line 7e and Line 7f was obtained utilizing the actual general ledger system Line 7g was obtained from the Medicare cost report

Part III, Line 4 The carrying amount of patient receivables is reduced by a valuation allowance that reflects management's estimate of amounts that will not be collected from patients and third-party payors. Management reviews patient receivables by payor class and applies percentages to determine estimated amounts that will not be collected from third parties under contractual agreements and amounts that will not be collected from patients due to bad debts. Management considers historical write off and recovery information in determining the estimated bad debt provision. Management also reviews accounts to determine if classification as charity care is appropriate. Cost to Charge ratio was calculated from the Medicare Cost Report for fiscal year ending 12/31/2009.

Part III, Line 8 Medicare allowable costs of care was calculated from the Medicare Cost Report for fiscal year ending 12/31/2009

2 Needs assessment. Describe how the organization assesses the health care needs of the communities it serves

Part VI, Line 2 During 2009 Community Memorial Hospital did not conduct a community needs analysis. Our Board of Directors is comprised of local residents that represents our service area. Our service area is comprised of a very homogeneous population. The majority of patients we serve are from an elderly population and have similar health needs. Community Memorial Hospital is planning to conduct a formal community needs analysis during 2011.

3 Patient education of eligibility for assistance. Describe how the organization informs and educates patients and persons who may be billed for patient care about their eligibility for assistance under federal, state, or local government programs or under the organization's charity care policy

Part VI, Line 3 Community Memorial Hospital advises our population of our charity care policy in the following manner - 1) posts its charity care policy, or a summary thereof, and financial assistance contact information in admissions areas, (2) provides a copy of the policy, or a summary thereof, and financial assistance contact information to patients who do not have any source of payment, (3) upon request, (4) discusses with the patient the availability of various government benefits, such as Medicaid or state programs, and assists the patient with qualification for such programs, where applicable

Part VI, Line 4 Community Memorial Hospital serves several communities in South Central South Dakota and North Central Nebraska. We serve a very rural population that is very homogeneous in composition. The areas served are geared toward farming/ranching and retirement communities. We have a very low percentage of uninsured residents in our area. 6 Provide any other information important to describing how the organization's hospitals or other health care facilities further its exempt purpose by promoting the health of the community (e g , open medical staff, community board, use of surplus funds, etc)

Part VI, Line 6 The governing body is comprised of persons who reside in the organization's service area who are neither employees nor contractors of the organization. Family members of four members of the governing body are employed by the organization due to the small population of the community. The organization extends medical staff privileges to all qualified physicians in its community. Surplus fund, if any, are reinvested for facility and equipment upgrades, and improving technical skills of employees. Most improvements in the facility and equipment in the past few years were purchased using donations by community members due to lack of surplus funds.
