Attachment to Amended Form 990-PF

This letter is written to inform the Internal Revenue Service of corrective action that has been taken in order to properly distribute income from the foundation.

An error was discovered in the 2008 990-PF valuation calculation during preparation of the organization's 2009 Form 990-PF. As a result of the incorrect valuation, $33,034 that should have been distributed in with respect to 2008 was not distributed before January 1, 2010.

The organization properly distributed income with respect to 2008 based on the original undistributed income, demonstrating their desire to comply with the distribution rules. The correct undistributed income amount was distributed on June 30, 2010. The foundation will make an election on its 2010 Form 990-PF to treat this distribution as made from the undistributed income of the year 2008.

Based on reasonable cause, distribution of previously undistributed income, notification of corrective action sent to the Internal Revenue Service, and the forthcoming election to treat the late distribution as made from the year 2008, the organization is respectfully requesting that the 30% excise tax on the undistributed income not be assessed.
