U. S. FORM FOR MAKING APPLICATION

Eligibility. The Raskob Foundation accepts applications from *official* Catholic, tax-exempt, non-profit organizations. Within the United States, such Catholic organizations are recognized by the IRS as those listed in the most recent edition of *The Official Catholic Directory*, published annually by P. J. Kenedy & Sons.

General Criteria. Applications to the Foundation are considered on their merits. Need, timeliness and the good to be accomplished are prime considerations. Requests for aid far exceed the dollars available. Since the Foundation follows a philosophy of stretching its funds to help as many different Catholic activities as it can, **the majority of the Foundation's grants are usually in the \$5,000-\$15,000 range.**

TO BE CONSIDERED, AN APPLICATION MUST CONTAIN:

(See pages 2-5 for more detailed instructions)

- A *filled-in* **Application Form**.
- A *detailed* **Budget** of the Project/Program.
- A *total* **Financial Statement** of the incorporated Catholic organization that will conduct the proposed project.
- A **Letter from the Ordinary of the Diocese** where the project will take place, commenting on your request to the Raskob Foundation.

Applications must be **complete** when they arrive at the Raskob Foundation.
Applications **lacking any of the first 3 items listed above will not be considered.**

The Ordinary's letter may be submitted later or directly from the Chancery,
if you are unable to obtain it before the deadline.

Deadlines. The Foundation's Board of Trustees meets twice a year to review requests - in mid-May and late November. Applications for the May Meeting are accepted *between December 8-February 8* ... and for the November Meeting *from June 8-August 8*. **Applications must be received on/before February 8 or August 8.** These deadlines are observed regardless of holidays or weekends. *(If February 8 or August 8 falls on a weekend or holiday, the deadline is 5:00 p.m. of the previous business day.)* Information presented to our Board must be timely. Applications that arrive **too early** or **too late** for either time period will not be considered ... nor can they be held over for the following Meeting.

Submission. Hard copy applications must be received at the Foundation's address above to be considered. *Submission at the beginning of the time frames is suggested.* Although we do our best to accommodate increasing volume, **we cannot guarantee that applications received in the last week of the specified time frames will be processed for a docket.**

FIELDS OF ACTIVITY OF THE RASKOB FOUNDATION

The Raskob Foundation has as its purpose to engage in such exclusively religious, charitable, literary and educational activities as will aid the Roman Catholic Church and institutions and organizations identified with it.

The Foundation has particular interest in projects in which self-help and local support are demonstrated.

IMPORTANT!

The Foundation does not accept applications for the following purposes:

1. Tuitions.
2. Fellowships.
3. Scholarships.
4. Reduction of Debt.
5. Endowment Funds.
6. Continuing Subsidies.
7. Individual Scholarly Research.
8. Legislative Advocacy or Lobbying.
9. Grants made by other grant-making organizations.
10. Projects which are "after-the-fact" (i.e., completed) by the date of the Trustees Meetings in mid-May and late-November.

RESTRICTIONS OF NOTE

1. Applications for Construction Projects.

In general, requests to fund large construction projects have a low priority with the Raskob Foundation. ***Building or Renovation Projects costing over (U.S.) \$200,000*** are not accepted for review by our Board until:

- **50% of the total cost is in hand.** (*Note: Monies pledged but not actually received or contractually committed, do not satisfy this requirement.*)
- A **signed construction contract** is in existence.
- Construction is actually **underway**.

2. Per the Foundation's Charter, requests by or for individuals cannot be honored.

3. Unfortunately, the Foundation does not have the facility to translate application materials submitted in languages other than English. Often, these requests have to be returned to the applicants for resubmission. To facilitate the processing of your application for review by the Raskob Board, ***it is advisable that application materials be submitted in English.***

4. While there is no limit as to the number of times an organization may approach the Raskob Foundation for funding ... *in general*, the Foundation ***does not make grants for the same project or to the same organization on a continuing or regular basis.***

5. If the Foundation is unable to allocate funds for a program/project/need, **the Board will not accept the same application for review at the next (successive) Meeting.**

6. **Applications for Vehicles.**

If funding is approved toward the purchase of a vehicle, the following conditions will apply:

- The vehicle purchased may not be owned by an individual nor assigned for the exclusive use of an individual.
- It must become the property of a Parish/Diocese/School/Congregation for use at a specified location.
- The title cannot be transferred to another organization, nor may the vehicle be relocated to another site.
- A copy of the title, registration, sales invoice or similar proof of purchase verifying ownership must be submitted to the Foundation once the vehicle has been acquired.

Conditions apply - but are not limited - to:

- | | |
|---------------------|--------------------------|
| • Ambulances | • Scooters |
| • Cars | • School Buses |
| • Pickup Trucks | • Vans/Buses |
| • Off-road Vehicles | • Motorbikes/Motorcycles |

7. **Application Form**

It is now possible to download an Application Form on the Foundation's website:

<http://www.rfca.org>

At the present time, the Foundation **does not accept electronically submitted (e-mailed) applications.** A hard copy of the finished Application Form must be produced and submitted to the Foundation offices. Since Application Forms are copied and sent to our Members for review, it should also be noted that **faxed submissions are not encouraged**, as they can be distorted and illegible ... and are often not suitable for reproduction.

Computer-Generated Application Forms

Due to the increasing number of inquiries by applicants, the Raskob Foundation will now accept computer-generated Application Forms.

Should you choose to use this method instead of filling-in the hard copy Application Form provided, *your submission must conform to both the size and layout of the Raskob Foundation's Application Form.*

All computer-generated Application Forms:

- **cannot** consist of more than 2 pages,
- **should** be submitted on 8½ x 11 white paper, and
- **must** include the 11-digit tracking number on the upper left corner of the Application.

DETAILED INSTRUCTIONS FOR MAKING APPLICATION

ALL INFORMATION IS KEPT CONFIDENTIAL

*Your application will be one of 600+ requests received from around the world.
It is important, therefore, that you read the following carefully.
If you have questions about these requirements, please call the Foundation
to discuss them prior to the submission deadline.*

Required

1. **Application Form**. The Application Form is a 2-sided document serving as a digest of your proposal. Please use the form provided and fill it in completely. Referral notations such as "See Attached" are not acceptable, since the Form itself will be reproduced and distributed. It is best to submit the original form as copies do not always reproduce clearly.

Each request is assigned a tracking number that appears in the upper left corner of the Application Form. It is helpful to refer to this number in all correspondence.

2. **Budget**. A detailed breakdown of the cost elements and sources of income of the project or program for which funds are being requested.
3. **Financial Statement**. The most recent 12-month audited financial statement with accompanying notes or unaudited, in-house statements of the organization, including a **Statement of Financial Position** (*assets/liabilities) and a **Statement of Activities** (*income/expenses).
 - * **Assets** - Listing or value of current **monetary assets** (cash - checking/savings, accounts receivable, investment portfolios, scholarship funds, endowment funds, etc.) and **fixed assets** (buildings, land, furnishings, equipment, vehicles and the like). **Liabilities** - Monies currently owed or future commitments (accounts payable, mortgages, loans, credit cards, outstanding payroll/benefits, etc.)
 - * **Income** and the sources of income (tuition, fees, collections, grants, donations, government programs, rentals, dividends, etc.) **Expenses** - Salaries, transportation, utilities, maintenance/rent, office supplies, program costs and the like.

Note

- Applicants frequently omit their fixed assets. This information is required, even if fixed assets are owned by a parent corporation (parish, diocese, bishop sole, religious order, consolidated health system, etc.) If you don't have this information available or are having a difficult time acquiring it, a copy of the insurance replacement value of such assets will generally satisfy the requirement.
- If you are a private operating or fund-raising Foundation, making application for a parent organization, Financial Statements of both organizations are required.

4. **Letter from the Ordinary**. A letter on Diocesan stationery from the **Cardinal, Archbishop or Bishop** who is the current Ordinary of the Diocese where the project will be carried out, commenting on your application to the Raskob Foundation.

*For religious congregations/orders not under the jurisdiction of an Ordinary, the Foundation will accept a copy of a letter from the Provincial, Abbot or Superior **to the local Ordinary** (where the project will take place) informing him about the application to Raskob.*

Note: The most common error is the Provincial, Abbot or Superior directing their letter to the Raskob Foundation instead of to the local Ordinary.

Optional

5. **Narrative**. If you wish to include additional information that you feel is important for our Board to consider, a supplemental Narrative is recommended. You may choose the format or you can follow the general outline of the application form and explain the project in greater detail.
(Preferably not to exceed 5 typewritten pages.)

GUIDELINES FOR COMPLETING THE APPLICATION FORM

1. **Amount Requested.** The amount to be requested from the Foundation should be exactly what is required to get the project underway ... or what is required to meet a specific, essential need ... or what is needed to move the project forward to the next step.
2. **Specific Purpose.** A good proposal will be exact not only about the amount of money it seeks, but also the purpose for which the money is needed. Don't confuse "purpose" with project *goals* or *methods*. "Purpose" almost always relates to *means*, not *ends*. State clearly what it is you are asking the Foundation to assist you in acquiring or doing.
(Examples: "Grant funds would be used to ... buy a mini-van for parish activities ... purchase computer equipment for the elementary school ... pay the salary/benefits of a Youth Minister.")
3. **Introduction.** This serves to describe your organization, its mission and achievements. What needs to be conveyed is a clear sense of its "track record" and competence in the activity or area for which funds are being sought.
4. **Problems, Objectives & Methods.** Here, describe the basic problem or need ... what it is you want to accomplish ... and the method(s) you plan to use. It is important to demonstrate that the problem or need is real and currently not being met by others.
5. **Timing.** Be specific as to the status, date and/or time frame of the project. This is an important element of consideration.
6. **Cost & Financing.** List the costs of the total project and provide specific line item detail for the amount requested of the Raskob Foundation. State how much has been raised toward the total needed, how much still needs to be raised, and other sources of support to be sought. In the event the Foundation cannot grant the amount you are requesting, is there a smaller amount which can be used to move the project forward to the next stage?
7. **Evaluation.** Will the project have a tangible measurable outcome? What methods and measures will you use to evaluate the project? How will you be able to prove that you have gotten the results you want? Do your measures focus on ends, not means?

Photos. Are always helpful in providing a visual understanding of the locale, the organization, people and/or project.

5. If the Foundation is unable to allocate funds for a program/project/need, **the Board will not accept the same application for review at the next (successive) Meeting.**
6. **Payment of Foreign Grants.** It is the practice of the Raskob Foundation to make payment of foreign grants via crossed check to the local Diocese, whereupon the Ordinary deposits the funds into the Diocesan bank account, procures the exchange into the local currency and ensures that the funds are delivered safely to the grant recipient.

7. If funding is approved toward the **purchase of a vehicle**, the vehicle purchased may not be owned by an individual nor assigned for the exclusive use of an individual. 8. **Independent Catholic Foreign Organizations.** It has long been the practice of the Raskob Foundation to restrict funding outside of the U. S. to basic official Catholic institutions, such as: Dioceses, churches, parishes, schools, religious congregations/orders, hospitals or universities. Several years ago, our Board of Trustees reviewed the Foundation's foreign grant policy and amended it to include other independent Catholic organizations outside of the U.S. *if the following steps are taken:*

- A) The organization must first obtain a **letter from its Arch/Diocesan Ordinary** (Cardinal, Archbishop or Bishop) or its official Episcopal Moderator appointed by the Holy See, attesting to the fact that the organization is formally Catholic and in communion with the Church's teachings and authority, and
- B) If the Foundation decides to fund the application, the grant will be transmitted through the local Ordinary, a Papal Nuncio, or through the department of the Holy See of the organization's official Episcopal Moderator. The party through whom the funds are transmitted will also be asked to **agree to review the project evaluation and expenditure report and attest to their accuracy.**

9. **Application Form** It is now possible to download an Application Form on the Foundation's website: <http://www.rfca.org>. However, *at the present time*, the Foundation **is not accepting electronically submitted (e-mailed) applications.** Hard copy of the finished Application Form must be produced and submitted to the Foundation offices. It should also be noted that since Application Forms are copied and sent out to our Members for review, **faxed submissions are not encouraged**, as they can often be distorted or illegible ... and not clear enough for reproduction.

Computer-Generated Application Forms

Due to the increasing number of inquiries by applicants, the Raskob Foundation will now accept computer-generated Applications.

Should you choose to use this method instead of filling in the Application Form provided, your submission *must conform to both the size and layout* of the Raskob Foundation's Application Form.

All computer-generated application forms:

- cannot consist of more than 2 pages,

to discuss them prior to the submission deadline.*

Required

1. **Application Form** The Application Form is a 2-sided document serving as a digest of your proposal. Please use the form provided and fill it in completely. Notations such as "See Attached" are not acceptable, since the Form itself will be reproduced and distributed.
2. **Budget** A detailed breakdown of the cost elements and sources of income of the program/project for which funds are being requested. *(Include pro-forma Invoices, if available.)*
3. **Letter from the Ordinary**
 - A) A letter from the **Cardinal, Archbishop or Bishop** of the Diocese where the project will be carried out, commenting on your application to the Foundation or
 - B) In the case of religious orders not under the jurisdiction of an Ordinary, the Provincial, Abbot or may **send a letter to the local Ordinary** (where the project will take place) informing him about the application to Raskob. **A copy of this letter must be submitted to the Foundation.**

The most common error is the Provincial, Abbot or Superior directing their letter to the Raskob Foundation instead of to the local Ordinary.

Optional

4. **Narrative** If you wish to include additional information that you feel is important for our Board to consider, a supplemental Narrative is recommended. You may choose the format or you can follow the general outline of the application form and explain the project in greater detail. *(Preferably not to exceed 5 typewritten pages)*
5. **Photos** Always helpful in providing a visual understanding of the region, the organization, people and/or project.
6. **Financial Statement** The latest 12-month accounting of the organization, including a **Balance Sheet** (assets & liabilities) and an annual **Operating Statement** (income and expenses), or **auditor's report** with accompanying notes is helpful but is not required.

Of Special Note

Each application to the Raskob Foundation is assigned
an individual tracking number
that appears in the upper left hand corner of the Application Form.
It is helpful to refer to this number
in all correspondence relating to your request.

GUIDELINES FOR COMPLETING THE APPLICATION FORM

1. **Amount Requested.** The amount to be requested from the Foundation should be exactly what is required to get the project underway ... or what is required to meet a specific, essential need ... or what is needed to move the project forward to the next step.
2. **Specific Purpose.** A good proposal will be exact not only about the amount of money it seeks, but also the purpose for which the money is needed. Don't confuse "purpose" with project *goals* or *methods*. "Purpose" almost always relates to *means*, not *ends*. State clearly what it is you are asking the Foundation to assist you in acquiring or doing.
(Examples: "Grant funds would be used to . buy a mini-van for parish activities ... purchase computer equipment for the elementary school ... pay the salary/benefits of a Youth Minister.")
3. **Introduction.** This serves to describe your organization, its mission and achievements. What needs to be conveyed is a clear sense of its "track record" and competence in the activity or area for which funds are being sought.
4. **Problems, Objectives & Methods.** Here, describe the basic problem or need ... what it is you want to accomplish ... and the method(s) you plan to use. It is important to demonstrate that the problem or need is real and currently not being met by others.
5. **Timing.** Be specific as to the status, date and/or time frame of the project. This is an important element of consideration.
6. **Cost & Financing.** List the costs of the total project and provide specific line item detail for the amount requested of the Raskob Foundation. State how much has been raised toward the total needed, how much still needs to be raised, and other sources of support to be sought. In the event the Foundation cannot grant the amount you are requesting, is there a smaller amount which can be used to move the project forward to the next stage?
7. **Evaluation.** Will the project have a tangible measurable outcome? What methods and measures will you use to evaluate the project? How will you be able to prove that you have gotten the results you want? Do your measures focus on ends, not means?

Applications must be submitted directly to.

ARTICLE I – MEMBERS

Section 1 – Membership

Such persons, without limitation as to number, as are laypersons, as defined by canon law (of either sex), who profess the Roman Catholic faith, are over eighteen years of age, and express a commitment to the goals of the Foundation shall be eligible for membership. There shall be three categories of members:

- A. Active Members – Active members shall be all members who are presently active members of the Foundation, who shall notify the Executive Vice President of their desire to continue as active members, may be recommended for active membership by his or her Area Committee, and shall be elected to active membership by the active members then in office. Additional persons eligible for membership, without limitation as to number, who have received adequate training, may be recommended by his or her Area Committee, and shall be elected to active membership by the active members then in office. Each active member shall be entitled to one vote.
- B. Sustaining Members – Sustaining members shall be such persons, without limitation as to number, who have received adequate training and wish to participate in the work of the Foundation on a restricted or limited basis. They may be recommended by their Area Committee, and shall be elected to sustaining membership by the active members then in office. Sustaining members shall be eligible to serve on any committees of the Foundation and to participate otherwise in the work of the Foundation, but shall not be entitled to vote.
- C. Emeritus Members – Emeritus members shall be such persons, without limitation as to number, who have been active members of the Foundation for 25 years or more and who are elected to emeritus membership by the active members then in office. Emeritus members shall be eligible to serve on any committees of the Foundation and to participate otherwise in the work of the Foundation, but shall not be entitled to vote. All references in these Bylaws to members or sustaining members shall be deemed to include emeritus members.

Section 2 – Termination of Membership

Any member may voluntarily withdraw from membership. Any member may be expelled by two-thirds vote of the active members upon being guilty of conduct which, in the opinion of two-thirds of the active members, is improper or prejudicial to the Foundation. No rights, powers, privileges, obligations or duties as a member shall survive the death of a member.

Section 3 – Minimum Membership

There shall be at all times not less than three active members, and if, for any reason, the total active membership shall at any time fall below this number, the remaining active members or member, as soon thereafter as is practicable, shall choose a new active member or members sufficient to bring the total membership up to at least three.

Section 4 – Meetings

Meetings of members may be held within or without the State of Delaware at such place as may be determined from time to time by the Board of Trustees or the active members.

Section 5 – Voting

Active members shall be entitled to vote at meetings either in person or by proxy appointed by instrument in writing subscribed by the active member or by his or her duly authorized attorney.

Section 6 – Quorum

Except as otherwise required by law, the Certificate of Incorporation or these Bylaws, a majority of the active members shall constitute a quorum at any meeting of the members.

Section 7 – Adjournments

If less than a quorum shall be in attendance at the time for which the meeting shall have been called, the meeting may be adjourned from time to time by a majority vote of the active members present or represented, without any notice other than by announcement at the meeting, until a quorum shall attend. Any meeting at which a quorum is present may also be adjourned, in like manner, for such time as may be determined by vote.

Section 8 – Annual Meeting of Members

The annual meeting of the members of the Foundation for the election of Trustees and officers and the transaction of such other business as may properly come before it shall be held in such place (which may be either within or without the State of Delaware) and at such time as may be determined from time to time by vote of the active members.

Section 9 – Special Meetings of Members

Special meetings of members may be called at any time by the President or Secretary, or by a majority of the Trustees, and shall be called upon the request of a majority of the active members made in writing to the President or Secretary. Notice of every special meeting, stating the time, place and object thereof, shall be given by mailing, post-paid, at least ten (10) days before such meeting, a copy of such notice addressed to each member at his or her last known post office address.

Section 10 – Annual Report of President

At the annual meeting of members there shall be presented a report by the President showing the assets and liabilities of the Foundation, the amount and nature of property acquired during the year immediately preceding the date of the report, and the manner of acquisitions; the amount applied, appropriated or expended during the year immediately preceding such date, and the purposes, objects or persons to or for which such applications, appropriations and expenditures have been made; and the names and places of residence of the persons who have been admitted to membership during such year. This report shall be filed with the records of the Foundation and an abstract thereof entered in the minutes of the proceedings of the annual meeting.

ARTICLE II – TRUSTEES

Section 1 – Trustees

The number of Trustees shall be not less than nine or more than thirteen with the exact number to be fixed by the active members from time to time. There shall be three categories of Trustees: Ex Officio Trustees, Area Trustees and Trustees-at-Large.

Only active members shall be eligible for election as Area Trustees and Trustees-at-Large. All Trustees shall hold office for a term of three years, or until their successors are elected and qualified. No Area Trustee or Trustee-at-Large shall be eligible for re-election after serving two consecutive terms until after the expiration of one full year from the conclusion of the second term, provided, however, that any Area Trustee or Trustee-at-Large who has served for four or fewer consecutive years as a Trustee shall be eligible for re-election for one additional consecutive term.

Each Trustee shall be entitled to one vote. No person shall serve as Trustee in more than one capacity. The Chairperson of any meeting of the Board of Trustees shall only be entitled to vote in the event of any deadlock of the Board of Trustees.

- A. Ex Officio Trustees – The President, Chairperson of the Foundation, First Vice President, Treasurer and Secretary of the Foundation shall serve as Ex Officio Trustees by virtue of their respective offices.
- B. Area Trustees – Each Area Committee shall nominate one of its active members for election as an Area Trustee by the active members of the Foundation.
- C. Trustees-at-Large – There may, but need not, be up to four Trustees-at-Large who are not, at the same time, Ex Officio Trustees or Area Trustees. Trustees-at-Large shall be nominated and elected by the active members of the Foundation.

Section 2 – Quorum

A majority shall constitute a quorum at any meeting of the Board of Trustees.

Section 3 – Meetings

Each newly elected Board of Trustees may hold its first meeting for the purpose of organization and the transaction of business, if a quorum is present, immediately after the annual meeting of members, or at such time and place as may be fixed by consent in writing of all Trustees. Regular meetings may be held without notice of such times and places as shall be determined from time to time by resolution of the Board.

Section 4 – Place of Holding Meetings and Keeping Books

The Trustees may hold their meetings and keep the books of the Foundation within or without the State of Delaware, at any office or offices of the Foundation, or at any other place, as they may from time to time determine.

Section 5 – Special Meetings

The President, the Chairperson of the Foundation or the Secretary may, and at the request of a majority of the Board of Trustees shall, call a special meeting of the Board of Trustees, one day's notice of which shall be given in person or by telephone or two days' notice of which shall be given by mail.

Section 6 – Waivers of Notice

A waiver of notice of any meeting, signed by all the Trustees, shall in all respects be valid and equivalent to notice thereof.

Section 7 – Vacancies

Vacancies occurring in the membership of the Board of Trustees, from whatever cause arising, may be filled by majority vote of the remaining Trustees, although less than a quorum, for a term to continue until the next meeting of the members, at which meeting the active members may elect a successor Trustee or Trustees to serve out the remainder of any unfinished term or terms.

Section 8 – Committees

The Board of Trustees shall have power to appoint from time to time such Committees of Trustees, including an Executive Committee of two or more members, as they may deem advisable and proper, and to delegate to such Committee or Committees such powers as, in the discretion of the Board of Trustees, are necessary and desirable. In addition, the Trustees shall have power to appoint members to Committees, including, without limitation, the Committees described in Article IV of these Bylaws, and to appoint members, officers or others to represent the Foundation to other organizations important to the realization of the Foundation's goals.

Section 9 – Grants
