Part V, Line 4	Description of Intended Use of Endowment Funds	The endowment is funded by either or both of the annual contributions made to the Scholarship Program that exceed the funds necessary to support the scholarships awarded each year, and contributions and monies generated by fundraising events that are specially designated as funds allocated for the endowment. The investment return goal is to generate a 5% to 8% annual return while invested in conservative investment instruments. No distributions shall be made from the endowment until the endowment has attained a balance of \$100,000. Once the endowment attains a balance of \$100,000, distributions of 5% of the endowment balance may be made to the Scholarship Program.
Part X	Description of Uncertain Tax Positions Under FIN 48	The Foundation has adopted the accounting standard on accounting for uncertainty in income taxes, which addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under this guidance, the Foundation may recognize the tax benefit from an uncertain tax position only if it's More-than-likely-than-not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. The tax benefits recognized in the consolidated financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. The guidance on accounting for uncertainty in income taxes also addresses de-recognition classification, interest, and penalties on income taxes, and accounting in interim periods. Management has evaluated the Foundation's tax positions and has concluded that Foundation has taken no uncertain tax positions that require adjustment to the consolidated financial statements to comply with the provision of this guidance. With few exceptions, the Foundation is no longer subject to U.S. federal, state and local income tax examinations by tax authority for the years ending December 31, 2006.
