INDEPENDENT AUDITORS' REPORT

Board of Directors
UnitedHealthcare Children's Foundation, Inc.
Minneapolis, Minnesota

We have audited the accompanying statements of financial position of UnitedHealthcare Children's Foundation, Inc. (the "Foundation") as of December 31, 2009 and 2008, and the related statements of activities and cash flows for the years then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and the significant estimates made by management and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of UnitedHealthcare Children's Foundation, Inc. as of December 31, 2009 and 2008, and the change in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

UnitedHealthcare Children's Foundation, Inc.

NOTES TO FINANCIAL STATEMENTS December 31, 2009 and 2008

NOTE 1 - Summary of Significant Accounting Policies

Nature of Activities

UnitedHealthcare Children's Foundation, Inc (the Foundation) was created to enhance the lives of children, 16 years of age or younger, by awarding grants to those needing medically appropriate health care treatment and/or services that are not fully covered by their current health insurance or other funding. Currently, the Foundation is primarily funded by UnitedHealth Group Incorporated and its employees, as well as contributions from individuals and corporations.

The Foundation limits its fund grants to 85% of the available funds at any time. During a 12-month period, individual grants are limited to the lesser of \$5,000 or 85% of available funds. Generally, grants are paid within one year. The grant recipients are required to submit applications and financial information. The applications are reviewed and approved by the Board of Directors.

Basis of Presentation

The financial statements of the Foundation are prepared on the accrual basis of accounting

Cash and Cash Equivalents

The Foundation defines cash and cash equivalents as highly liquid, short-term investments with a maturity at the date of acquisition of three months or less.

Cash on deposit in excess of FDIC insurance coverages is subject to the usual banking risks of funds in excess of those limits.

Contributions Receivable

Unconditional promises to give made to the Foundation are recorded in the year the pledge is made. Current contributions receivable are expected to be collected during the next year and are recorded at net realizable value. No restricted contributions have been received to date.

An allowance for uncollectible promises to give is determined based on the Foundation's historical experience. Contributions receivable are shown net of an allowance for uncollectible contributions of approximately \$132,000 and \$172,600 for the years ended December 31, 2009 and 2008, respectively.

Grant Commitments

The Foundation's Board of Directors approves grants contingent upon the Foundation receiving detailed supporting financial information. Upon receipt of such information, grants payable and corresponding program expense is recorded. Contingent grants outstanding at December 31, 2009 and 2008, respectively, of approximately \$1,083,100 and \$1,173,600 are excluded from these financial statements

Tax-Exempt Status

As of December 31, 2009, the Foundation maintains the Internal Revenue Service classification as a public charity under section 501(c)(3).

UnitedHealthcare Children's Foundation, Inc.

NOTES TO FINANCIAL STATEMENTS December 31, 2009 and 2008

NOTE 1 - Summary of Significant Accounting Policies (continued)

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Functional Allocation of Expense

The costs of providing program services and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among programs and supporting services benefited based on actual time spent and best estimates of management.

Fair Value of Financial Instruments

The Foundation's short-term financial instruments consist of the following: cash and cash equivalents, contributions receivable and accounts payable. The carrying values of these short-term financial instruments approximate their estimated fair values based on the instruments short-term nature.

The fair value of the Foundation's investments is based on quoted market prices, when available, or market prices provided by recognized financial institutions.

Subsequent Events

In preparing these financial statements, the Foundation has considered events and transactions for potential disclosure through April 21, 2010 which is the date that the financial statements were available to be issued.

NOTE 2 - Related Party Transactions

UnitedHealthcare provides certain administrative, overhead, and accounting services at no charge to the Foundation. The fair value of these services was approximately \$390,300 and \$445,900 for the years ended December 31, 2009 and 2008, respectively. The Foundation has recorded these amounts as contribution revenue and program, general and administrative and fundraising expense on the statements of activities.

UnitedHealthcare also provides a dollar for dollar match for any employee contribution to the Foundation. UnitedHealthcare match contributions totaled approximately \$1,012,000 and \$959,100 for the years ended December 31, 2009 and 2008, respectively. During 2009, the Foundation also received \$274,700 from UnitedHealthcare as a result of an agreement reached in the current year.

At year end, substantially all of contributions receivable are from UnitedHealthcare and its employees. Employee contributions are generally collected by UnitedHealthcare through their payroll deduction program.

Instead, you must submit the fully completed and signed page 2 (Part II) of Form 8868.
