## ACCOUNT TRANSFER INSTRUCTIONS

### *Here's All You Have To Do To Make Your Transfer*

We've designed this form to make your transfer as easy as possible. You will need to fill out Section 1 and Section 6. As for Sections 2 through 5, complete only the section that pertains to the account you are transferring. For example, if you are transferring an account from another brokerage firm, you would fill out Sections 1 and 6 PLUS Section 2. It would not be necessary to complete Section 3, 4 or 5.

If you have any questions about this form - or the transfer process - simply call your local Broker. We'll be glad to help.

#### **1. Be sure to complete Section 1.**

- Print the title, account number and social security number of your account to which you are transferring. If you don't have an account number yet, simply call your local Broker. They'll be glad to assign you an account number.
- Write the name and address of the firm you are transferring from, together with your account number at that firm.
- Please use this form for only one firm or institution (whether that's a bank, brokerage firm or mutual fund company). If you are transferring assets from more than one firm, you will need to complete one form for each firm.

Attach a copy of the last statement of the account you are transferring.

#### **2. If you are transferring assets from another brokerage firm, complete Section 2.**

- You can transfer stocks, bonds, cash, options, treasury securities, unit investment trusts. (UIT's), Ginnie Mae and Fannie Mae certificates and most mutual funds.
- If you want to transfer your entire account, there's no need to list individual securities on the form. Simply check the box next to "Transfer all the assets in my account" in Section 3 on the transfer form and attach a copy of the most recent statement for that account.
- If you are not transferring all the assets in the account, check the second box ("Transfer only those assets listed below"). Then list the specific securities that are to be transferred, indicating the title of the security, the quantity and whether the security is to be transferred in kind or if it should be converted to cash. Please note that certain assets must be converted to cash in order to be transferred. These include: money market funds, proprietary mutual funds, commodities, private placement limited partnerships, foreign currency options and certificates of deposit. If you need additional space, simply provide the information requested on a separate sheet of paper.

#### **3. If you are transferring assets from a mutual fund company, complete Section 3.**

- In addition to the name of the fund, you must indicate whether you want to have all shares transferred in kind or whether they are to be liquidated and transferred as cash.
- Please note that money market funds are most proprietary mutual funds held at brokerage firms cannot be transferred in kind; these must be liquidated and transferred as cash. If you need additional space, simply provide the information requested on a separate sheet of paper.

#### **4. If you are transferring from a bank, complete Section 4.**

- If you are transferring a certificate of deposit, indicate whether you want to liquidate immediately or at maturity. It will then be transferred as cash into your account.

#### **5. Complete Section 5 if you are transferring an IRA account.**

#### **6. Read Section 6, then sign and date the form below.**

**Transfer Time.** You can trade through your new Broker as soon as we receive validation of the transfer (usually 7 business days for a regular brokerage account). If you are transferring retirement assets from a bank, it may take three to four weeks to complete your transfer. We will notify you as soon as the transfer is completed.
