1099-B Proceeds From Broker Transactions (OMB No. 1545-0715)

This section reports your proceeds from each of your sales during the year which are reported to the Internal Revenue Service. The proceeds from each of your sales are reported to the IRS on Forms 1099-B (Box 2), not the aggregate total of your sales. You must report the proceeds of each sale on your tax return. We must report all transactions on a trade-date basis which is the date shown in the sale date column (Box 1a). The proceeds reported in Box 2 are less commissions, transfer charges, and premiums.

We are not required to nor do we report gains or losses on these sales to the IRS. We have adjusted tax costs for amortization of premium paid for the acquisition of municipal bonds through date of sale and for non-taxable dividends. Wash sales are reported with tax cost equal to proceeds. Disallowed losses from wash sales have been added to the tax cost of the repurchased securities. An asterisk symbol (*) next to the tax cost indicates that the tax cost has been adjusted for the current year's return of capital. However, we have not made adjustments to the cost basis of all partnerships.

This category includes all assets held 12 months or less.
