What is the organization's primary exempt purpose? Harbour Pointe Montessori Early Learning Center provides a friendly and caring educational environment for children with and without special needs, which promotes independent learning, self-discipline, concentration and a positive self-image It is our goal to help children to love learning and to see themselves as capable learners To offer the highest quality program, classroom environment, and teaching staff To provide the children opportunity and direct intervention to insure successful school experiences To develop a strong sense of self-confidence, a healthy self-esteem and a positive attitude toward learning Our aim is to encourage the children to think, reason, question, and experiment while developing language, social, and problem solving skills We strive to facilitate the growth of the child's emotional, intellectual, social, and physical development			
Describe what was achieved in carrying out the organization's exempt purposes In a clear and concise manner, describe the services provided, the number of persons benefited, and other relevant information for each program title			
28 We served 65 children in 2009, providing them with a high quality educational program, classroom environment and teaching staff, focusing on emotional growth, intellectual development, social growth, physical development and spiritual awareness The curriculum at Harbour Pointe Montessori Early Learning Center is a multi-faceted approach to early intervention services This unique program incorporates both the Montessori Philosophy of education in conjunction with various techniques commonly used in many early childhood special education classrooms We introduce and reinforce values such as being compassionate and kind, honest and responsible, independent while also being aware of the needs of others Our work with the children's social skills includes verbalizing their needs, problem solving and conflict resolution In addition, sign language is used throughout the day as a means of communication for some children, and additional visual input for others We also have music specialists teaching the children rhythm and movement bi-weekly The preschool/kindergarten children receive weekly instruction in music, "Art of the Masters", Spanish and Japanese The materials in the school are designed with the children's specific development in mind We individualize our teaching strategies and techniques to further each child's individual development The total capacity is 70 children at this location We often teach children who come to us who have been diagnosed on the autistic spectrum These children are usually non-verbal and making no eye or visual contact with those around them Often within two months, after working with our curriculum, we see great progress in eye contact, children learning to verbalize their needs and making great progress in all areas Our low student - teacher ratio of 10 children to 4 teachers in our Butterfly, toddler program facilitates this wonderful growth We truly feel blessed to be able to offer such an incredible learning place for children, parents and caregivers with home visits and in our school We maintain a supportive natural environment philosophy within all of our classrooms (Grants \$) If this amount includes foreign grants, check here . . . <input type="checkbox"/>		28a
