1. Applicants may be considered for scholarship support only if they will be entering or are in their continuing years at an accredited post secondary institution or a certified technical school.
2. The Scholarship board must receive applications no later than March 1st. Scholarships shall normally be awarded annually to begin the fall quarter/semester of each school year.
3. Scholarship amounts may vary. Awards may be made to cover actual training cost for full-time study in an accredited post secondary institution or an accredited technical school or to a level determined by the Scholarship's Trustees. Scholarship funds may be applied to cover actual expenses for tuition, fees, books, and special supplies. Costs for room/board may also be covered. Scholarship funds may only be applied toward actual expenses for items considered reasonable or routine for any student enrolled in the same program of study at the same institution.
4. Scholarships are awarded for a one-year period of study. Upon request from a recipient, and providing criteria still met, extensions beyond the initial scholarship year will be considered by the Trustees of the Scholarship.
5. Applicant must have at least a grade average of "C" at the time of application, and must maintain this "C" for each quarter of study completed in order to remain on scholarship during subsequent quarters. Confirmation of a student's quarterly grades and grade average must be provided to the Scholarship by means of an official school grade report or transcript.
6. Scholarship awards shall be made with the expectation that the student will remain enrolled in full-time study through consecutive quarters or grading periods (Summer Quarter/Semester study not required). Any interruption in this method of continuous enrollment must be justified in writing to the Scholarship Board. Any unjustified interruption in the student's full-time study schedule may result in cancellation of the student's scholarship approval.
7. Applicants must provide copies of S.A.T./A.C.T. scores, high school and/or college transcripts. If a student has participated in a joint enrollment program and or A.P. level courses, grades will be considered accordingly and these grades should also be included as transcripts.
