Part VI Supplemental Information

Complete this part to provide the following information

1 Provide the description required for Part I, line 3c, Part I, line 6a, Part I, line 7g, Part I, line 7, column (f), Part I, line 7, Part III, line 4, Part III, line 8, Part III, line 9b, and Part V See Instructions

Part I, Line 6a Covenant Health, the parent company of Methodist Medical Center and other affiliated acute care hospitals, prepares an annual Report to the Community on behalf of the entire system

Part I, Line 7g The organization has included $1,813,188 in physician sponsorship fees in total subsidized health services

Part I, Line 7f Part 1, Line 7, column (f) Bad debt expense included in total expenses on Form 990, Part IX, line 25 but subtracted for purposes of calculating the percentages in column (f) is $12,265,227

Part I, Line 7 Amounts on Lines 7a-7c and 7g are from the hospital's cost accounting system Other community benefit expenses are at historical cost from the general ledger

Part III, Line 4 Note B to the 2009 audited financial statements reads "Patient accounts receivable are reported net of both an estimated allowance for uncollectible accounts and an estimated allowance for contractual adjustments Current operations include a provision for bad debts, included in Supplies and other in the Consolidated Statements of Operations and Changes in Net Assets, which are estimated based upon the age of the patient accounts receivable, prior experience and any unusual circumstances (such as local, regional or national economic conditions) which affect the collectability of receivables, including management's assumptions about conditions it expects to exist and course of action it expects to take "The cost for bad debt expense on Line 2 was obtained from the hospital's cost accounting system from a listing of all bad debt transfers less those accounts qualified as charity

Part III, Line 8 Community Benefit Methodist Medical Center is the sole hospital in Anderson County providing a full range of healthcare services Due to physician shortages, a diverse population, and higher than average emergency service utilization in the community in which Methodist Medical Center is located, the Medicare shortfall should be treated as community benefit Costing Methodology Methodist Medical Center used a combination of sources in calculating Medicare allowable costs on Part III, Line 6 including its cost accounting system, general ledger accounting system, and facility-specific analyses and calculations

Part III, Line 9b All self-pay patients automatically receive a minimum 43% discount on charges Federal poverty guidelines are utilized in the determination of charity care eligibility Patients who are unable to pay and have exhausted all sources of payment assistance may qualify for charity care A sliding scale is used for extending charity care utilizing the income levels reported under the federal poverty guidelines Patients/ guarantors with income that falls below 200% of the federal poverty guidelines receive 100% charity care Patients/ guarantors with income of 201-300% of the federal poverty guidelines receive 70% charity care For catastrophic illness, exceptions to income and asset limitations may be made on a case-by-case basis The amount considered for charity will be based upon the evaluation of the patient's/guarantor's ability to pay

Part V Diagnostic Centers-3, Therapy Centers-2, Cancer Clinic-1, Occupational Health Services-1, Disease Management Clinics-3

2 **Needs assessment.** Describe how the organization assesses the health care needs of the communities it serves

Part VI, Line 2 Methodist Medical Center actively addresses a variety of identified needs in the community through its relationships with community based groups including the local health council, public health department, school systems, health coalitions, inter-agency council, and health-related not-for-profit organizations Additionally, the East Tennessee 2-1-1 Information and Referral system is able to provide a profile of the health and social services most requested by the citizens of each county This information serves as an ongoing assessment of basic health and human service needs and of what resources are lacking in each community

3 **Patient education of eligibility for assistance.** Describe how the organization informs and educates patients and persons who may be billed for patient care about their eligibility for assistance under federal, state, or local government programs or under the organization's charity care policy

Part VI, Line 3 Methodist Medical Center posts a sign in its emergency room lobby, outpatient registration area, and Cheyenne Ambulatory Center registration area that states Methodist Medical Center, a member of Covenant Health, serves the community by improving the quality of life through better health It is our philosophy that no one shall be denied medically necessary services based upon an inability to pay for those services Applications for patients seeking financial assistance for medically necessary services are available during the registration process or in our Cashier's Office Please ask our registration staff or contact the business office at 835-3560 if you wish to apply for financial assistance Cashier office hours are Monday through Friday, 8 a m to 4 30 p m Thank you for allowing us to serve your healthcare needs We trust you will be very satisfied with your care Methodist Medical Center Administration

4 **Community information.** Describe the community the organization serves, taking into account the geographic area and demographic constituents it serves

Part VI, Line 4 Methodist Medical Center defines its primary market as the counties of Anderson and Roane in East Tennessee Anderson is a bedroom community to the metropolitan Knoxville area but is itself a rural county Methodist is the only hospital in Anderson County but shares its primary market with Roane Medical Center in bordering Roane County The combined two-county population totals about 129,000 people and is predominantly female (52%) and Caucasian (94%) Anderson County residents have a median age and income of 39 years and $35,483 per household, while the figures for Roane County residents are 40 years and $41,000 per household Anderson County has a higher percentage (17%) of its population over the age of 65 than many of its peer counties Twenty-two percent of the county's residents are under the age of 18 In 2009, the total percentage of persons living below the poverty level was 16%, and the unemployment rate was 10% Results from the last reported Behavioral Risk Factor Survey showed these key indicators as concerns for the health of the overall community 1) Current smoker (23%) 2) No exercise in the last month (21%) 3) Advised to lose weight (15%) 4) Have not had pneumonia vaccine (80%)

5 **Community building activities.** Describe how the organization's community building activities, as reported in Part II, promote the health of the communities the organization serves

Part VI, Line 5 The organization's community building activities provide the hospital with opportunities to address the root causes of health problems by offering its expertise and resources Methodist Medical Center supports the community building activities of its parent company, Covenant Health An allocation of the Parent's community building expenditures has been made to each member hospital in proportion to the financial contribution of each to the health system Covenant Health is not a hospital and does not file Schedule H with its Form 990 Community Building activities included cash and in-kind donations for the development of community health programs and partnerships These activities include physical improvements and housing, economic development and support system enhancements like disaster readiness, mentoring programs, and youth asset development initiatives Such programs address the root causes of health problems, such as poverty and homelessness due to lack of education and jobs In 2009 the System provided Community Building support to many organizations, including but not limited to Boys & Girls Club Dollywood Foundation Emerald Youth Foundation East TN Economic Development Agency Great Smoky Mountain Council of Boy Scouts IVHIN (Innovation Valley Health Information Network) Innovation Valley Technology Council Knox County Imagination Library United Way Wee Course Classic

Part VI, Line 7 Methodist Medical Center (MMC) offers more than 30 specialties from open heart and neurosurgery to orthopedics and vascular care, and boasts one of the highest percentages of board certified physicians in the region A 301-bed regional medical center, MMC serves a population base of nearly 200,000 from six counties in Tennessee as well as parts of Kentucky, which encompasses both its primary and secondary markets In 2009 and 2010, MMC was recognized by Forbes com as one of America's safest hospitals and is ranked in the top 11 percent across the nation for core measures and is among the top hospitals nationwide by HealthInsight, a quality improvement organization that uses U S Department of Health and Human Services data to rank Tennessee hospitals Methodist Medical Center was the first hospital ever to earn the state's highest award for quality, the Tennessee Quality Governor's Award, and was the only hospital in the state to earn the highest level award for surgical complication and infection prevention during the 2007 VHA National Conference In addition, MMC's cardiac metrics related to heart attack, bypass surgery and post-operative infections ranked better than Thomson Reuters Top 100 benchmark hospitals The Methodist Joint Replacement Center ranks in the top 10% nationwide for overall quality of care by Patient Research Consulting (PRC) In March 2010, MMC was the recipient of the Studer Group's Fire Starter Award for clinical, service and operational excellence Unique Services -New 30-bed ortho-neuro unit with specialty joint destination center for hip and knee replacement patients -New electrophysiology services for minimally invasive cardiac procedures and diagnostic technology such as a 64-slice CT which can capture images of the heart and coronary arteries in as little as five heartbeats -Fully accredited sleep diagnostic center staffed with two multi-boarded and fellowship trained physicians and a clinical team comprised 100% of registered polysomnographic technicians -The first dedicated wound treatment center in the greater Knoxville area to offer hyperbaric oxygen technology to treat chronic non-healing wounds -Fully deployed surgical robotics program featuring the latest technology for heart, lung, gynecological and prostate procedures -Critical care program offering leading-edge and life-saving treatments for bloodstream infections and brain injuries associated with heart attacks -One of the first comprehensive chest clinics of its type in the nation--now reducing the time between discovery of possible cancer and treatment from weeks to days -Individualized occupational, physical and speech therapies, including neurological, orthopedic, vestibular and pediatric rehab -Regional cancer center offering image-guided radiation therapy, PET/CT diagnostic capabilities, a nationally recognized disease management program, access to clinical trials, formal pain management program and the most experienced provider of high dose rate brachytherapy for women with cervical, uterine and vaginal cancer Integrated Services As a member of Covenant Health, MMC is able to leverage the strengths of this integrated healthcare delivery system to streamline processes, enhance productivity and realize significant financial efficiencies -Roane Medical Center transfers a majority of their ER transfers to Methodist -MMC transfers over 50% of patients who need home health care to Covenant Homecare -Fortress manages MMC's physician buildings -Covenant Medical Managements manages MMC's employed physicians -Covenant Health corporate finance completes MMC's tax returns, cost reports, reports financials to the Board, etc -Covenant Health business office bills MMC's services to patients and insurance companies, and government payors -MMC's laboratory performs certain lab testing for other Covenant facilities -MMC's Capacity Management Center takes calls for the Covenant Rapid Access Center at nightCommunity Services From 2007 through 2009, MMC provided 212 separate health and wellness events to a total of 17,108 participants These events were provided in both industry and community settings A major component of these programs included screenings and education targeted specifically to chronic illness, diabetes, senior and family services, fitness and physical therapy Through its partnership with local high schools and colleges, MMC inspires and teaches the next generation of healthcare providers The Health Sciences Academy with Oak Ridge High School is a model program to mentor junior and senior students who wish to pursue a medical career Additionally, MMC invests in scholarship programs with the University of Tennessee School of Nursing, Roane State Community College and more than 15 high schools through the region Foundation Support Methodist Medical Center Foundation (Foundation) was established in 1990 to acquire and accept charitable gifts for MMC to help all those in need receive the highest quality of care regardless of the ability to pay The Foundation is a separate, non-profit corporation which is governed by a volunteer Board of Directors, each of whom is a recognized leader in the communities MMC serves Signature Foundation events such as Casino Night, Acorn Classic Golf Tournament and Holiday Lights for Health make it possible for MMC to provide many important services and technologies to the community including -free lodging through the Hospitality Houses for patients and families far from home, -assistance to patients, families or employees who find themselves in desparate situations, -support of cancer and palliative care programs, advanced cardiac and robotics technology -education support for medical center employees
