	Part I, Line 4a	LARRY SPRATLIN - \$33,465, DONNA ABNEY - \$31,026, CHRIS MCLEAN - \$30,695 The purpose of the Methodist Healthcare Consolidated Executive Deferred Compensation Plan is to provide retirement benefits for certain executive level employees in addition to the benefits provided through the other retirement plans that are sponsored by the company. It is intended that this Plan comply with Internal Revenue Code Section 457(f) and qualify for the short term deferral exception to Code Section 409A. Under the Plan, corporate executives at the Vice President or above level are eligible to receive Executive Deferred Compensation Credits depending on their position classification [6%, 8%, 10%, 12% of base salary]. Each Plan Year, the executive must elect a Deferred Vesting Date to be applied to the Deferred Compensation Credit that will be earned in that Plan Year. The Deferred Vesting Date is subject to a vesting schedule that requires a minimum deferral of 5 years to become vested. Upon reaching age 55, the minimum deferral is reduced to 3 yrs. Upon reaching age 60, the minimum deferral is reduced to 2 yrs. At age 64, a cash equivalent is provided to the executive and no additional deferrals are made under this Plan. The Plan is unfunded with all benefits paid from the company's general assets. However, the executive is allowed to direct the investments of his Deferred Compensation Credit in a menu of investment alternatives made available by the company. Upon vesting, a distribution is provided less applicable tax. In the case of a voluntary termination of employment by the executive or involuntary termination of employment for cause by the company, the non-vested funds are forfeited. Accelerated vesting (100%) is allowed upon death, disability or an involuntary termination by the company without cause.
Supplemental Information	Part III	PART 1 LINE 7 The management incentive plan intends to reward management for the achievement of performance against a pre-established set of balanced and challenging goals. The plan also includes a provision that defers vesting of a portion of the award subject to continued employment (with a substantial risk of forfeiture) to encourage retention of executives. This plan is reviewed by an external third-party consultant.
