To the Board of Directors

I have reviewed the accompanying balance sheet of the Committee of One Hundred For Oakwood University, Inc. (a corporation) as of December 31, 2009 and the related statements of revenue, expenses, and changes in fund balance, and changes in financial position for the year then ended, in accordance with Statements in Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of the Committee of One Hundred For Oakwood University, Inc.

A review consists principally of inquiries of Company personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to the accompanying financial statements in order for them to be conformity with generally accepted accounting principles.
