Philosophy and Guidelines for Concept Letter

Founded in 1960, the Day Foundation is a private, philanthropic organization that supports major initiatives, programs, and project-specific activities that help to maximize the potential of young people in Memphis and the Southeast. We prefer to support innovative programs that fill a void that is not recognized or successfully addressed by others. We are interested in programs that provide unique opportunities for children and young people in the areas of education, social environment, culture, and leadership development.

The Day Foundation does not support construction projects, endowment, unrestricted gifts, continuing scholarships, or salaries/overhead not directly related to initiatives, programs, or project-specific activities.

Because we are, essentially, a venture-capital foundation, we make grants covering a specific time period, usually one year. The Foundation will consider multi-year grants, but in those cases the grantee will need to apply to have the grant continued after the first year. The Day Foundation reserves the right not to continue funding at any time.

If your organization is interested in developing a partnership with the Foundation, please submit a concept letter. The letter should be concise (2 to 3 pages) and include the following:

- ♦ A brief history of the organization, its mission and goals;
- ♦ A description of what you would like to propose and the anticipated outcome;
- ♦ A budget for the proposal;
- ♦ The methods used to measure success;
- ♦ And a plan to continue the program past the requested Day Foundation grant.

The Day Foundation will review concept letters and respond in a timely manner. Telephone inquiries are discouraged, and we cannot respond to inquiries prior to receiving a concept letter.

Please submit concept letters to:
