Giving Guidelines

Foundation for North America

Supporting Program Development

The Allianz Foundation for North America empowers young people to shape a secure future by partnering with programs that support youth in developing the skills, motivation, perspectives and opportunities they need to lead successful, independent lives of leadership and public service. In all cases, the Foundation's goal is to serve as an impetus for the creation or expansion of sustainable youth programs eligible for continued, long-term funding from other sources.

Criteria for Funding

All programs and projects for which funding is sought must attend to each of seven, equally weighted criteria drawn from the mission and goals of the Allianz Foundation for North America. Specifically, all proposed programs/projects must:

- 1) Empower young people
- 2) To shape a secure future
- 3) For themselves
- 4) And the communities in which they live,
- 5) By helping them become successful,
- 6) Self-reliant, and
- 7) Socially conscious

Please note that, in order to be able to offer special opportunities for youth development, such as mentoring and in-office career skills workshops, our project-related grant making is focused exclusively on cities in which Allianz companies in the NAFTA region maintain head- or major representative offices. These cities are:

New York (NY)

Washington (DC)
 Chicago (IL)
 Minneapolis (MN)
 San Francisco (CA), including also Marin and Sonoma Counties
 Newport Beach (CA)
 San Diego (CA)
 Mexico City, Mexico

Please also note that priority is given to non-profit organizations that are likely to take part in the Allianz Foundation Fellowship Program – see separate program information – after the first proposed grant year. We strongly recommend incorporating a brief but clear vision for such participation into all project proposals.

Grant Cycle

The Allianz Foundation for North America awards 12-month grants once each year, following the annual meeting of the Foundation's Board of Directors, which generally takes place within the first nine months of the calendar year. Grant applicants are notified of action taken by the Board within one week of the annual meeting. Disbursement of all allocated funds to grant recipients follows immediately thereafter.

Grant Range

Grants for program development involve a significant short- to medium-term financial commitment at the discretion of the Foundation Board. Given the limited availability of funds and the broad scope of the Foundation's work throughout North America, grants generally do not exceed 50,000 US dollars, the standard allocation for each new project grant. All decisions on funding are based on a thorough analysis of program need, structure and potential for sustainable social impact.

Funding Period

Grants are eligible for renewal at a lower level of financial commitment after the first year in order to maintain program development while other sources of – and/or solutions for – long-term funding are sought. In general, renewal grants for each successive year, if approved, will not exceed 50 percent of the previous year's grant total. Grants generally may not be renewed for more than two consecutive years following the first-year grant. Our project partners are, however, always welcome to apply for new project grants in the future.

Limitations

The Allianz Foundation for North America does not provide support for:

Individuals
 Political parties, candidates or partisan political organizations
 General public-sector services
 Sectarian religious purposes (e.g., religious instruction, proselytizing)
 Fraternal, veteran or sectarian groups serving only, or primarily their own constituencies
 Fundraising events
 Conferences and workshops
 Trips or tours
 Capital campaigns
 Endowment funds
 Medical research
 Sporting events
 Subscription fees or admission tickets

Application Procedures

Deadlines

All final grant applications must be submitted one month prior to the next scheduled Annual Meeting of the Allianz Foundation board; please contact the Executive Director by email – using the subject line "Meeting Schedule Request" – for information on the board's meeting schedule.

Preliminary Concept Paper

All grant seekers must contact the Executive Director with a one-page project concept paper before submitting a formal grant proposal. This enables us to offer preliminary feedback on the project proposal and clear guidance on subsequent steps in the application process. Each concept paper must include a clear, concise description of the plan for the creation or expansion of a particular project or program component that would be made possible with a grant of 50,000 US dollars our standard allocation for first-year project grants. The opportunity to discuss a preliminary concept paper is intended to help protect valuable resources of time and money at non-profit organizations by ensuring – before submission – that final applications adequately fit our mission and guidelines. All concept papers must be submitted by email, using the subject line "Concept Paper".

Final Application Package

Upon completion of discussions on the preliminary concept paper, grant seekers may, at the discretion of the Foundation's Executive Director, submit a final, grant application package. All applications must include a narrative proposal of no more than five pages summarizing

In addition, the proposal must contain:

- A project budget showing all expenses and other income sources, if applicable. Please use a three-column format reflecting total expenses, the proposed allocation of the Allianz Foundation grant under consideration, and other income and/or unmet need;
- A current organizational balance sheet and income statement (audited, if available);
- A list of other funding sources and amounts from the past two years;

Application for Extension of Time To File an Exempt Organization Return

OMB No. 1545-1709

► **File a separate application for each return.**

- If you are filing for an **Automatic 3-Month Extension**, complete only **Part I** and check this box. ☒
- If you are filing for an **Additional (Not Automatic) 3-Month Extension**, complete only **Part II** (on page 2 of this form).

Do not complete Part II unless you have already been granted an automatic 3-month extension on a previously filed Form 8868.

Part I Automatic 3-Month Extension of Time. Only submit original (no copies needed).

A corporation required to file Form 990-T and requesting an automatic 6-month extension—check this box and complete Part I only. ☐

All other corporations (including 1120-C filers), partnerships, REMICs, and trusts must use Form 7004 to request an extension of time to file income tax returns.

Electronic Filing (e-file). Generally, you can electronically file Form 8868 if you want a 3-month automatic extension of time to file one of the returns noted below (6 months for a corporation required to file Form 990-T). However, you cannot file Form 8868 electronically if (1) you want the additional (not automatic) 3-month extension or (2) you file Forms 990-BL, 6069, or 8870, group returns, or a composite or consolidated Form 990-T. Instead, you must submit the fully completed and signed page 2 (Part II) of Form 8868. For more details on the electronic filing of this form, visit www.irs.gov/efile and click on *e-file for Charities & Nonprofits*.
