STATEMENT FOR (FORM 990-EZ) PART III Primary Exempt Purpose

The Alliance for Tompotika Conservation (ALTO) was formed at the request of the indigenous people of Mount Tompotika, Sulawesi, Indonesia to assist them in their efforts to protect the magnificent natural heritage of their home place.

We encourage direct, people-to-people contact between the residents of Tompotika and other conservationists who join us in this cause, so that we might learn from each other. Together we take direct, immediate action to prevent the extinction of Tompotika's endangered wildlife and the destruction of its native rainforests and rich coral reefs. At the same time, we work side-by-side to promote a deeper appreciation for nature and to create lifestyles and practices that sustain the lands and waters in which our communities are rooted.

Statement for: Form 990-EZ, Part III Line 28 – Program Service Accomplishments

In the calendar year 2009, the Alliance for Tompotika Conservation (ALTo) saw a significant expansion in our programs and activities.

Our flagship program to protect the endangered maleo bird has continued to work successfully with local people of the village of Taima to ensure that adult maleos have safe and unhindered access to the Taima nesting ground, and all maleo eggs are protected and allowed to hatch naturally. Since our work in Taima began in 2006, the number of adult maleos returning to the nesting ground to lay has tripled.

Our sea turtle program, now in its first year of full operation, is also strong. Although the number of female turtles returning to the nesting beaches to lay has declined somewhat since last year, our system of village-based patrols has grown stronger and the program now receives more robust support and participation by villagers than in the previous year.

2009 also saw a great expansion of our forest protection program. Working with local villagers, we identified several key patches of native rainforest for permanent protection, and began working with village and regency level governments to implement this protection.

Our Conservation Awareness Program remains very strong and popular. As of the end of 2009, we have now conducted Awareness presentations in every school of every village of Tompotika—over 100 schools. 2009's Awareness focus was on maleos, sea turtles, and Tompotika's endangered animals.

A final project completed in 2009 was our Tompotika Youth Calendar Project. In August 2009, ALTo sponsored a workshop in drawing and painting from nature for 12 talented young Tompotika high school-aged artists. The results—colorful works featuring 12 of Tompotika's rare and endangered wildlife species—was then assembled into a 2010 bilingual calendar, which has been distributed free in Tompotika as a way to raise pride in and awareness of the area's natural heritage.
