Part I, Line 7f Bad debt expenses of\$15,730,148 were removed from the calculation of total expenses for line 7

Part I, Line 7 The cost to charge ratio calculated in Worksheet 2 was used to determine cost for lines 7a,b and c Actual cost per general ledger was used to determine amounts on line 7f, 7g and 7i

Part III, Line 4 Financial Statement Footnote Accounts receivable are stated at net realizable value URHCS maintains allowances for uncollectible accounts for estimated losses resulting from a payor's inability to make payments on accounts URHCS uses a balance sheet approach to value the allowance account based on historical write-offs and the aging of the accounts Accounts are written off when collection efforts have been exhausted Furthermore, management continually monitors and adjusts its allowances associated with its receivable Costing Methodology Cost of bad debt was calculated using the cost to charge ratio computed using IRS worksheet 2 Bad debt expense represents gross charges adjusted for appropriate discounts and payments on accounts

Part III, Line 8 The current Texas community benefit standard recognizes that Medicare does not pay the full cost of services provided under the Medicare program Community benefit reporting for the state includes all Medicare shortfalls as community benefit The hospital believes the same rationale should apply for IRS purposes Costing Methodology The medicare allowable cost was determined using the Medicare cost report

Part III, Line 9b Hospital personnel make good faith efforts to inform patients of the availability of financial assistance, governmental programs and assistance in applying Section 6 6 of the charity and bad debt policy states "As soon as sufficient information is available concerning the patient's financial resources and eligibility for governmental assistance, a determination will be made concerning the patient's eligibility for charity In most cases, the determination decision will be make within 10 business days A written notice will be mailed to the patient informing them of the determination decision No collection efforts will be pursued on a charity account for the eligible amount after such determination is made "

Part VI, Line 3 The hospital informs each patient of the charity care program and how to apply for charity care This is done by posting notices in each patient registration area and providing a written notice to each patient All patient statements have an assistance application on the reverse side and an alert on the front for those eligible or interested in applying This includes all statement notifications and not just patient share statements Furthermore, it is the policy of URHCS to assist patients with information and resources for potentially qualifying for governmental or other financial assistance programs The Business Office will refer those patients who may qualify for financial assistance from a governmental program to the appropriate program, such as Medicaid, County Indigent, Crime Victims etc, or to the hospital's contracted eligibility vendor for screening for governmental program coverage
