Part X	Part X FIN48 Footnote	The Organization qualifies as a tax-exempt organization under Section 501(c)3 of the Internal Revenue Code and, therefore, has no provision for federal income taxes. In accordance with generally accepted accounting principles, the organization is required to disclose certain information regarding potential liabilities regarding its tax positions it currently takes or has taken in prior years. Currently, there are no unrecognized tax benefits or liabilities that need to be recognized during the current year or due to a tax position taken in a prior year. Therefore, the cumulative effect of the change on net assets of applying the provisions of the requirement in this first year of adoption is none. If the organization were to have a potential liability for such taxes, it would also accrue interest and penalties as a liability in the financial statements. The organization expects no recognized tax benefits that will be incurred within the next year of the date of these financial statements. There are no tax years that are currently under examination by federal or state tax authorities.
